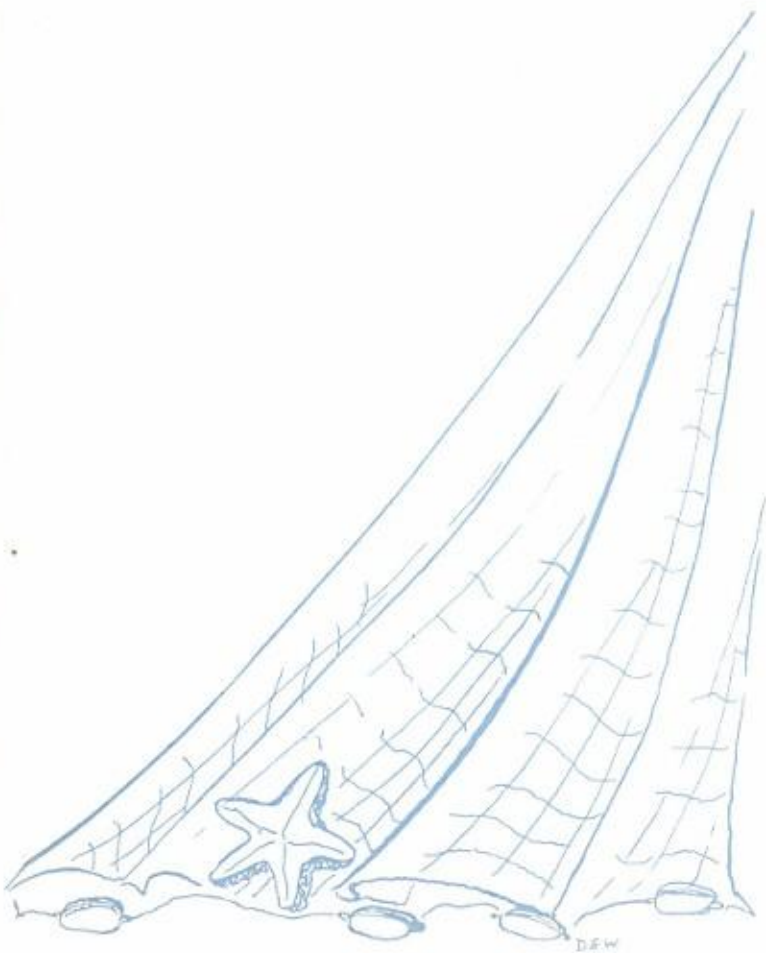
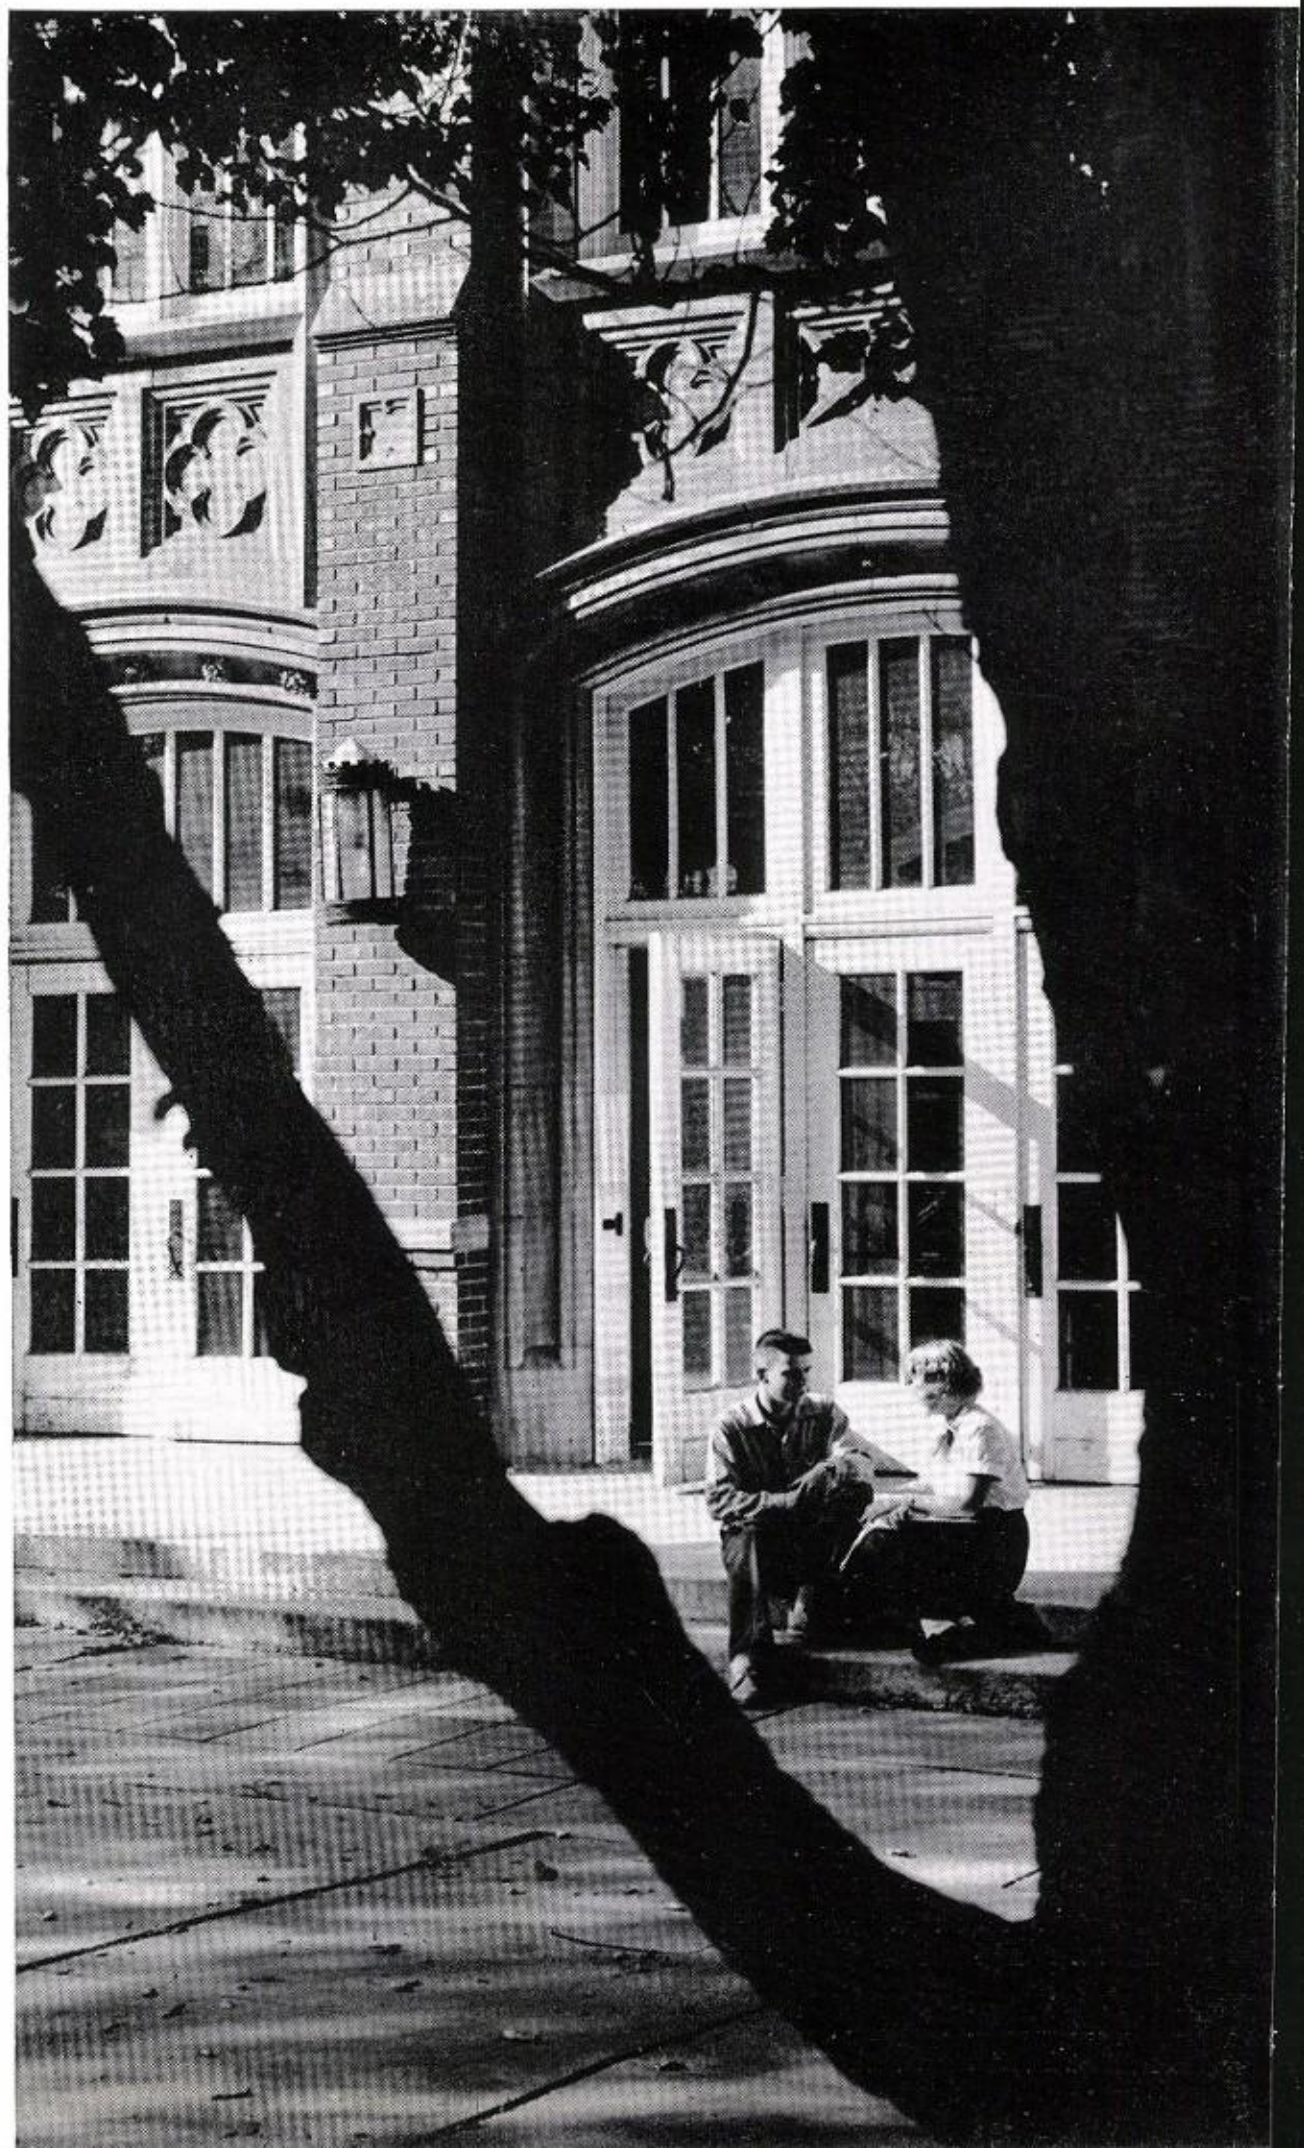
York Community High School

Elmhurst, Illinois

Climb aboard the good ship York for a fabulous voyage over the high seas of education. Soon you will feel the salt spray and see the rolling waves. As your ship sails through the even waters, think back of your last cruise—the plays, dances, and games aboard ship. Now the crew is on board, the gang plank is up, and we are about to embark. You can hear shouts of "Bon Voyage" from shore, and your own cry is "Anchors Aweigh."





Navy Brass Map Course

Pictured here are Dr. Paul A. Young, Superintendent of District 88 and Principal of York, and Mr. Roy DeShane, Assistant Principal, checking on the construction of the new library-classroom addition.

Coming to York at mid-year in 1950, Dr. Young found many complex problems connected with a rapidly expanding York. Since then, five building projects have been developed, the guidance services expanded, a bus transportation system developed, and many curricular services added. The school and community appreciate the long hours of study and hard work directed toward these developments.

Mr. DeShane, after nearly thirty years at York, resigned in mid-year to become Superintendent of Schools of Du Page County. In that time, Mr. DeShane has won the respect and admiration of the many hundreds of teachers, students, and parents of the community. His total contribution to York during the three decades is incalculable. We shall miss him greatly, but we are happy to extend our congratulations and sincere best wishes for his continued success.

The Board of Education, elected by the voters of District 88 to carry out their desires in the administration of York, supervise the operation of the school and make school policies.

The current expansion of York means many extra hours of work for these men, who serve without pay.

Mr. Mills I. Hersey is President; Mr. Lewis N. McFarland, Secretary; and the other members pictured here are Dr. A. G. Adams, Mr. C. R. Eichenberger, and Mr. C. A. Linder. Dr. Adams resigned in February after entering the Army, and the Board appointed Mr. Robert Snyder to fill his unexpired term.

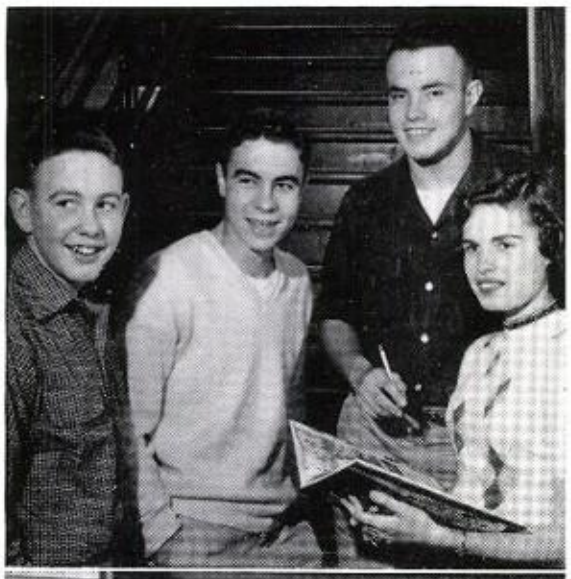
Strauch Steers Student Council Through Year



Student Council acts as a liason between the student body and the administration.

Now that the council is smaller and meets every day, it can settle problems more quickly.

Through a new system of co-ordination sheets, the council has gained a better response from the student body.

The highlights of Student Council achievements were Homecoming and the introduction of a Stunt Show instead of the traditional bonfire.

To bring about better relationships, the Student-Faculty Committee was organized. It arranged for the Senior-Faculty game. The proceeds were put into a fund for the readoption of Stephan Zokamorak and for a foreign exchange student.

To promote more enthusiasm in sports, Student Council sponsored buses for away games and the selling of pencils with the basketball schedule printed on them.

Y's Tales of '54 Sets Sail on World Tour

Under the able direction of Mr. Morgan, the staff, headed by Dick Curtis, editor, and several committees, prepares this yearbook. We on the **Y's Tales** staff feel that many of you do not understand what putting together a yearbook entails. In the following paragraphs we will try to explain the process to you.

The staff members are placed on specific committees. These committees take care of the process of making and distributing the yearbooks.

To begin we first find a theme. This year we have chosen a nautical theme. Then headlines for the clubs, classes, and various activities are chosen and worded correctly. Each advisory must be identified and placed in order according to class and alphabet. The captions under club pictures and school activities have to be written up by staff members.

Staff Launches Yearbook on Successful Voyage

The production staff is made up of the following committees: Administration, Underclassmen, Seniors, Activities, and Sports. The Administration Committee arranges the opening pages devoted to faculty, principal, board of education, deans and staff employees. The Underclassmen Committee checks the names and handles the arranging of junior, sophomore, and freshman pictures. The Senior section is devoted to the Class of '54. Here extra activities, offices, and honors are listed with their pictures. The ten outstanding seniors have their section in the center. The Activities Committee writes up the doings of clubs and school organizations. The Sports Committee devotes its time to assembling the sports section.

The business staff, headed by Janet Ellison, has the job of keeping records of books sold and keeping track of student payments. They attend to any money matters involved in the printing of the **Y's Tales** and distribute the books in the spring.

Head Photographer Fred Curry and his committee take, print, and develop almost half the pictures that appear in this yearbook.

Miss Davis Guides Paper Through Year

News from every corner of York appears in each issue of the **York Hi.** Many students themselves, with the help and counsel of Miss Davis and Mr. Johnson, gather, organize, and print the paper 15 times during the school year.

This year the editorial staff sponsored a sales contest to increase circulation. After each publication the winning class was presented with a cash prize for its treasury.

The latest addition to the **York Hi's** already varied material is a column written by Madamoiselle Felicity, an otherwise unidentified journalist. Madamoiselle attempts to answer all questions sent to her by curious or bewildered students.

Editor-in-Chief Priscilla Merriam and Associate Editor Jean Schwolow have guided the **York Hi** of 1953-54 to one of the highest standards yet attained by a high-school paper. They, along with the rest of the staff, hope to see the paper grow, with York, ever reaching to greater heights in the world of tomorrow.

Election into the National Honor Society is the ultimate reward given exceptional students who have served their school through scholarship, leadership, and service. Members of National Honor Society are elected in either their sixth or eighth semester by classmates and teachers. They are honored and awarded pins at a special assembly and tea given for them in May.

Traditionally, seniors who have been elected in their junior year comprise the active chapter of National Honor Society. This year, twenty-four members took part in the society's activities, of which the most important was ushering at all dramatic programs and band and choral concerts. Last winter, the National Honor Society presented the York faculty with a Christmas tea, given in the faculty dining room. In February the society sponsored a dance called the "Oriental Reverie."

This year National Honor Society was fortunate in having four faculty advisors: Miss Winn, who has been sponsor of NHS since 1949; Mr. Prange, who has been sponsor since 1952; and two new sponsors, Miss Stoaks and Mr. Neher.

The Quill and Scroll is an international society whose purpose is to recognize special work done in the field of journalism.

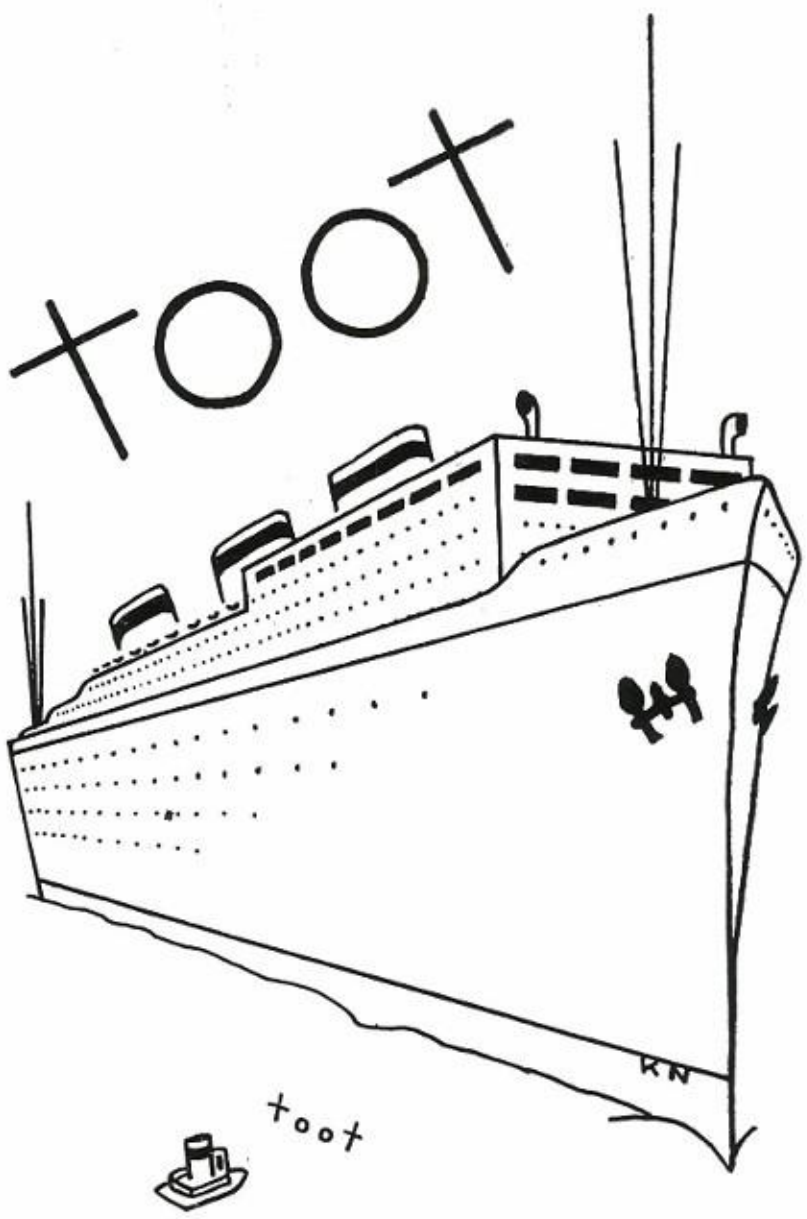
Candidates from the **York-Hi** must have at least 45 inches of typed material printed in the paper. **York-Hi** typists must have put in at least 45 hours of work. The organization claims twenty-six active members. Aspirants who fail to meet all the requirements but have made sizeable contributions to the publications, are made honorary Quill and Scroll members.

This year, the members took their annual trip to a Chicago newspaper plant. They also sponsored contests for newspaper writing and art work.

York-Hi elects its new members at the beginning of the school year. Candidates from the **Y's Tales** staff, however, are not elected until February.

Miss Davis is the club sponsor.

Music from Many Lands Is Theme for Band



The York Concert Band, under the admirable leadership and direction of Mr. Reimer, has received much recognition. The band has gained much recognition and praise for the school and community. The York band has been instrumental in spreading the name of York High throughout the state as a school which believes in developing music to a high degree. The Concert Band, having as its component parts a football marching band and a basketball band, is a regular course of study at York. The Band also supplies music for many pep assemblies.

This fine organization is led by Dick Snyder, president; Jerry Royer, vice-president; Janet Ellison, secretary; and Ed Nagel, treasurer. The class representatives are: Mary Luetgert, freshman; Larry Olds, sophomore; Jerry Lewis, junior, and Frank Foster, senior. Donna Blair serves as head majorette and librarian.

Perhaps the most thrilling activity of our band is its participation in our home football games. How proud we have felt when our splendid band marched out on the field at half time displaying its marching ability.

At the fall concert, held November 6, the band played the "School Musician March," directed by Mr. Forrest L. McAllister, editor of the School Musician magazine. Other highlights of the program were "The Three Trumpeters," consisting of Frank Foster, Peter Evanson, and Alan Gallagher, "Elsa's Procession to the Cathedral" from Lohengrin, and "George Gershwin's selections." "Drums Along the Front" was also played featuring our outstanding drum section.

At the time this page is being written, the band is making arrangements for a band dance and banquet which will be in the spring. April 2, is the date set for their Spring Concert. They will be playing some music from various countries.

The operation of a band the size of York's is costly; therefore funds are raised by giving concerts in the fall and spring. Additional money is raised by sponsoring an Antique Fair and a dance.

It is hoped that in the future the band will contrive to do as good a job as this year and to continue to hold the community's and student's interest in its affairs.

York's Cadet Band, which is now in its fourth year of participation in York's very successful music department, was started to enable incoming freshmen and other students interested in band to obtain the extra experience needed before advancement into the Concert Band.

Although the Cadet Band is not as large as it has been in previous years, it has a very full program and plays the standard high school repertoire of marches and popular and classical music to familiarize its members with the type of music played by the Concert Band.

This year the Cadet Band is going to add its forces to those of the Concert Band in the annual Mother's Day Concert and in the Memorial Day Parade.

In addition to these activities the Cadet Band will also participate with the Concert Band in its third annual Band Dinner and Dance.

York also has a beginning band which was started this year and consists of ten freshmen students.

This band works along with the Cadet Band and will participate with York's other two bands in the year's activities.

This year, the string section performed at the Alumni Tea on December 28; and for the first time, the orchestra entered the state contest at Bloomington, Illinois. A sextet was chosen in the district contest to go to the state finals.

In addition, the orchestra members receive major music letters, after three years of active participation and a music pin after four years.

Next year, a cadet orchestra will be formed to further the growth of the orchestra.

Over the Bounding Main Come the Senior Choir Voices

This year the Senior Choir, under the very able direction of Mr. Harris, had ninety-three members. They sang in the fall and spring concerts and again sang in the Christmas assembly. They presented a vocal assembly in the spring and also gave their annual programs at the Elmhurst Junion High School and at Ardmore. But probably the most important events for the Senior Choir were the Suburban Music Festival held at Arlington Heights and the State Final Music Concert in which the choir alone sang such numbers as "Jesus Our Lord, We Adore Thee," "Let Thy Blessed Spirit," and "No Man Is an Island." Singing with the band, they sang "Voice of Freedom," and with the orchestra, "Gloria," from the Twelfth Mass by Mozart. Some of the songs they sang at the State Final Music Contest were also presented at the spring vocal concert.

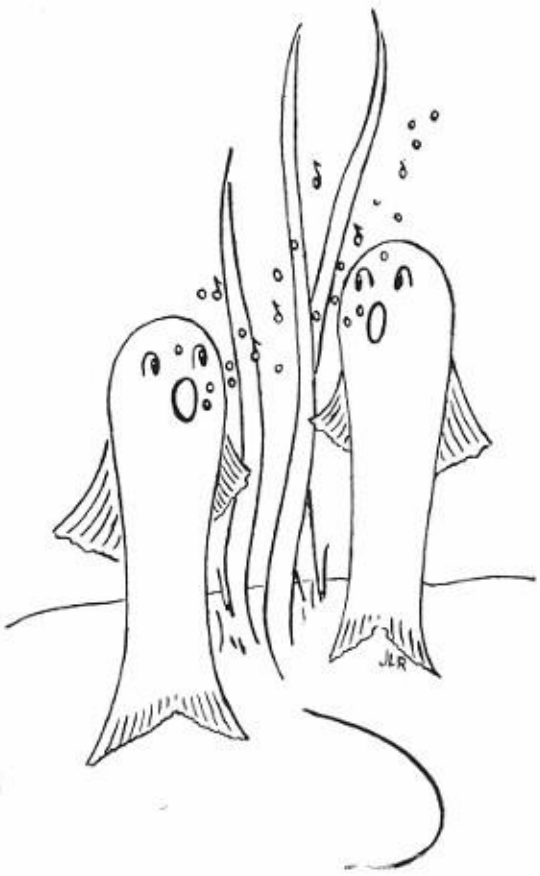
Treble Clef Hits a Clear Note on Ship's Bell



The Treble Clef has been divided into two groups because there were too many girls who qualified for the group. The groups are composed of junior and senior girls who are under the able direction of Mr. Harris.

Both choruses performed for the Fall Concert, which was held on November 20. The Treble Clef Glee Club sang "Praise the Lord," by Handel; "Old King Cole," arranged by Dunhill; "Tip-toe Through the Tulips with Me," by Burke; and "Pale Moon," by Logan. The Treble Clef Choir sang "Russian Picnic," arranged by Enders; "The Blind Plowman," by Clarke; "Brother James Air," by Bain; and "I Heard a Forest Praying," by De Rose.

At the annual Christmas assembly, the two groups were combined, and they sang the following numbers: "Silent Night," by Gruber; "White Christmas," by Berlin, and "O Holy Night," by Adams. They did very well and were appreciated by everyone.

Both the Glee Club and the Choir also performed for the Spring Concert.

Frosh Chorus Ends Year in Shipshape Condition

The Sophomore Girls' Choir is made up of about 45 of the sophomore class's best singers. The girls in this choir are but a few jumps away from the Senior Choir, in which every one of them is looking forward to participating.

This year the choir sang in both the fall and spring vocal concerts.

At the fall concert, which was held November 20, the Girls' Choir sang the following numbers: "Jesu, Joy of Man's Desiring," by Bach; "Strange Music," by Grieg; "Dance a Cachuca," by Sullivan; and "The Song Is You," by Kern.

The Sophomore Girls' Choir is under the very fine direction of Mr. Leo Pondelick. With Mr. Pondelick's excellent teaching, many of the members of the choir are sure to make the Senior Choir in their junior year.

Once a month Yorkites who enjoy musical activities get together for an informal gathering of the Music Club. At these gatherings there are a business meeting, recreation, and refreshments. Anyone at York is eligible to attend these meetings, with the exception of freshmen, who cannot join until the second semester.

Besides regular meetings, this year's club attended a performance of "Wish You Were Here."

The purpose of the club is to raise funds to aid in paying for music honor awards, letters, and pins. To earn these funds, this year's club sold concessions at various athletic events. The music club's annual dance in the spring adds money to its treasury, besides providing fun and entertainment for all who attend.

Music is not the only interest of these students. They entered a float in the Homecoming parade and won third prize. At the Hallowe'en party music clubbers sold taffy apples and popcorn balls. Christmas was celebrated with a gala party which included refreshments, games, a grab bag, and of course, music.

Behind-the-scenes sponsor of Music Club is Mr. Harris.

Dramatic Crew Sets Sail for South Pacific

One of York's most talented groups is Troupe 94 of the National Thespians Dramatic Society. This Society was founded in 1932 and was one of the first groups in the Chicago area to join the National League. In order to be eligible for membership, candidates must either be sophomores or juniors and, of course, must have some dramatic ability. Having passed the tryouts, they serve as apprentices for their first year. To introduce these newly choosen apprentices to the organization an introduction is given. Here the older members give a kind of preliminary initiation for their future "understudies." During their apprenticeship, they take part in either acting or production work. The time put in is then tallied and credited to them as merit hours. Those apprentices who have accumulated enough credit hours are entitled to full membership in the organization. This is done by another initiation ceremony in which the novices must act out skits assigned to them. After this ceremony, they are full members and are eligible to wear Thespian pins.

Sails Hoisted as Thespians Start Voyage

The design of the Thespian pin shows representations of the two types of Greek masks, the serious tragic face and the laughing face. The pin also has a blue "T" for Thespians and a "N" for National.

One of the many activities which the Thespians take part in every year is a trip into Chicago to see a well-known, professionally staged play. This year the Troupe went to see **Time Out for Ginger.**

Again York's Thespians, under the direction of Miss Doris E. White, presented their annual winter production, Drama Night. This year's three one-act plays were **Sorry, Wrong Number, The Man in the Bowler Hat,** and **The Valiant.**

In honor of the Silver Anniversary of the National Thespian Society, Troupe 233 of Glenbard Township High School and Troupe 94 of York High School gave a Regional Festival and Clinic which was held in March at Glenbard High School. The program started with a fine dinner, after which Mr. Dick Noble, N.B.C. Network announcer, of Chicago gave a talk. After the talk by Mr. Noble, four selected troups gave a fifteen minute scene from a play. To end the evening there was a clinic on "Children's Theatre," "Acting the Role," and "Staging the Play." Mrs. John Musil, Director of the Elmhurst Children's Theatre, led the discussion on children's theatre. Professor C. C. Arends, Director of the Elmhurst College Theatre and Elmhurst Community Theatre, led the discussion on acting. The discussion of staging was conducted by Mr. Alex Fleet, instructor in the Northwestern University School of Speech.

"Alea Iacta Est"; Latin Members Sail Forth

Our trip wouldn't be complete without a stop to see the beauties of ancient Rome, some of the traditions of which are reviewed yearly by York's Latin Club.

The Roman Banquet, held in December, finds the Latin students enjoying a duplication of a gala evening in ancient Rome. The cafeteria is transformed into the home of a wealthy Roman patrician, complete with statues of the gods, graceful drapes, and a fountain which actually runs. A typical guest comes attired in Roman dress and is served a meal similar to one that might have been enjoyed by a Roman of long ago. The dances of the water carriers and the Vestal Virgins are among the customs which highlight the evening's entertainment.

Another big event on the Latin Club calendar is the Salutatio. At this time the freshmen who have earned an "A" average in their first semester of Latin are initiated into the club.

During the past several years, the club, as one of its projects, has sent used clothing to the Greek employees of the American School for Advanced Study in Athens, Greece. This year ninety pounds of clothing were sent, and a note of deep appreciation was received.

A very capable and ambitions slate of officers guided the club this year. They were Beverly Hawkins, President; Priscilla Merriam, Vice-President; Ann Ferry, Secretary; and Pat Murphy, Treasurer.

This year the German Club has been very active. The activities have been very interesting and the club's membership has grown.

One of the highlights of the year was the German Club's presentation "Weinachtsspiel," a Christmas play about the Nativity, for the teachers and students of York.

Thirty new members were initiated into the club at the start of the second semester.

Each year it is traditional that the last meeting of the year be held in honor of the graduating senior members.

Mr. Neher is the sponsor of the club.

Spanish Fleet Sails for Treasure

OFFICERS: Judy Clark, Secretary; Nancy Schorb, Vice-President; Mary Carney, Treasurer; Lois Cohen, President; and Ronald Anderson, Sergeant at Arms.

MEMBERS: **Front Row:** Karen Ekdahl, Dolores Eickelman, Jane Davidson, Sandra Sundt, Miss Samalonis; **Second Row:** Jeannine Schrader, Evelyn Harabacka, Elizabeth Burgher, Barbara Slade, Diane Smith, Carol Brinkert, Rosemary Reedy, Dianne Blagburn, Sandra Smith, Joanne Schultz, and Jeanne Wolter; **Last Row:** Tom Robertson, Charles Ingles, George Novy, and Jim Combes; **Standing:** Norma Peterson, and Dave Howe.

York High School's Spanish Club, sponsored by Miss Samalonis, was formed in 1921 and is York's oldest organization. The purpose of this club is to encourage friendly relations with our neighbors to the south and to get more students interested in Spanish by having extra-curricular activities.

The club has a meeting once a month, and any freshman who has an A or B average may join the second semester. Upper classmen who are taking or have taken Spanish are eligible for membership.

A pin is awarded to students who have earned twenty-two points. Points are earned by taking part in programs, donating refreshments, and doing the thankless task of cleaning up after parties.

Some of the extra-curricular activities in which the members of the Spanish club take part are the trip to a Mexican restaurant, where they have such Mexican dishes as tostados, enchiladas, and tortillas; the Day of the Dead Party, which is equivalent to our Hallowe'en; the Christmas party, where the students break the pinata; an initiation breakfast; and a picnic. Members also learn how to dance the rhumba and the conga. Besides these activities they help with the Anti-Tuberculosis Campaign.

The French Club is open to all second-year French students and first-year students who have completed the first semester of French with a "B" average.

This club was under the guidance of Miss Petersen. To aid her in carrying out the club's activities were Barbara Shockly, President; Joanne Suchy, Vice-President; Silvia Alexander, Secretary; and Robert Friedli, Treasurer. Three committees which wer organizd to share the work were program, activities, and refreshments, with Nancy Forrest, Dan Cosgrove, and Pricilla Moore as chairman.

The chief purpose of the French Club is to make the members more familiar with the different customs of the French people, the country itself, and the language.

The club was re-organized this year. At its monthly meetings a new constitution was drawn up.

The gay and colorful Mardi Gras of New Orleans was brought North by the French Club to be used as the theme for the initiation program. Authentic decorations of a French cafe added to the festivities. A dinner of ten courses consisting of French foods was served. During the celebration the new members were introduced to the customs of the club.

A point system has been established for the purpos of awarding pins. The various ways to earn the fifty points required to earn a pin are furnishing refreshments for the meetings, participating in skits, and selling at games. If an extra twenty-five points are earned, a guard is awarded.

Roundtable Finds Solutions to World Problems

The York Round Table is a group of students who meet monthly to discuss informally the questions and problems which are currently of national or international interest and importance. Any student who likes to discuss and uphold his point of view may join Round Table. The most active members are awarded pins at the end of the year.

For Homecoming this year Round Table participated in Stunt Night by giving a skit depicting a panel discussion as it would be behind the Iron Curtain. Also last fall six members of Round Table were among 300 high school debaters attending the High School Discussion Debate Seminar at the Technological Institute of Northwestern University. They heard Northwestern University students discuss and debate the high-school-debate resolution: Resolved, that the President of the United States be elected by the direct vote of the people.

Several days before Christmas vacation the Round Table gave a Christmas party in the faculty dining room.

For the major part of the year, however, Round Table, under the supervision of Mr. Maclear, was concerned with the discussion of current controversial issues, such as the proposed Bricker Amendment, the Fifth Amendment, and the American attitude toward Asiatic problems.

The original Historical Society was organized in 1938. This year it was reorganized by co-sponsors of the group, Mr. Langert, and Mr. Varland.

United States history is stressed, but the members of Historical Society are also interested in other parts of the world. Concerning this part of history, Frank Seidel gave a talk at one of the meetings. His talk was on the conditions of Germany, as he saw them while he was there.

This year's members took a guided tour of the Chicago Historical Society.

Every year Historical Society has charge of the Lincoln Assembly in February. Unlike most clubs which give assemblies, Historical Society takes complete charge of the program, even to the supplying of speakers.

This year Equestrian Club has a new sponsor. Her name is Mrs. Evans. Members all have an interest in horses and going riding a great deal of the time.

Science Clubbers Sail in Search of Knowledge

The Science Club enables every member to develop his own personal interests. It holds regular meetings at which experiments are done as a group or by the individual. Informative talks are given by the members on current scientific events and topics of interest. Films also supplement some of the regular activities of the meetings.

On this year's calendar of activities was a trip to the Adler Planetarium. The club also got together on constructing and running the Spook House at York's Hallowe'en Carnival.

The club is open to all sophomore, junior, and senior students; and freshmen with a "B' average.

This year's sponsor, Mr. Simpson, was assisted by Stephen Stinson, President; and Leroy Eshelman, Treasurer.

If you are the domestic type, then Home Economics Club is for you. The club welcomes any girl who is taking a course in home economics or has previously taken home economics. The main purpose of the club is to promote interest in domestic science.

Beside their business meetings, the members have special programs planned by various committees. Among this year's activities were a trip to Helene Curtis, a pot luck dinner, and a bazaar where the girls sold hand made articles.

For their Christmas party, the members exchanged gifts and saw a demonstration on gift wrapping.

The club entered a float in the homecoming parade last October. The float, "Downing Glenbard," consisted of a hot dog on a background of green and white.

The highlight of the club is the style show which is presented by the girls in the Spring. The girls model the latest finery which they have made in class.

Club pins are awarded to members on the point system. The points are earned by serving on committees, being an officer, selling at concessions, attending meetings, and by doing other miscellaneous work.

Under the careful guidance of Mrs. Norbeck and Miss Bunse the club has had a very successful year.

The purpose of the York Commercial Club, under the sponsorship of Miss Gustafson, is to show members how to be successful in the world of business.

At the monthly meetings, the girls hear representatives of the business world speak on proper speech, dress, behavior, and other qualifications of the good secretary.

The club attends the Business Students' Conference at Northwestern University and visits two business firms annually.

Among the highlights of the club's social activities are the fall and spring picnics, luncheon at a Chicago restaurant, and a movie or play.

By helping in the office, typing for the library, **York-Hi,** or **Y's Tales** staffs, the girls earn points toward their pins.

Math Club had its beginning in 1945 and has kept its reputation as an active club at York. Under the guidance of its sponsor, Mr. Benson, the club provides a good outlet for the talents of the students who like mathematics.

The skill and ingenuity of Math Club members are challenged by the "Problem of the Month," and the student who has solved the most of these monthly problems is rewarded for his efforts with a prize at the end of the year.

Students with at least a "B" average in one semester of plane geometry and a year of algebra and those who have completed mathematics major are eligible for membership in Math Club.

This year's officers are Nancy Betz, President; Nancy Thompson, Treasurer; Mike McLane, Vice-President, and Dorothy Erickson, Secretary.

Junior Red Cross Keeps Sailors in Shape

The Junior Red Cross is an organization in which the entire student body may participate.

The shop and art departments contribute some of their school time toward completing projects to help the needy.

This year the art department of York made table decorations, place mats, menu covers, and Christmas cards for the veterans and their families.

The shop department built a chest which the J. R. C. filled with enough school supplies and sports equipment to outfit an entire class room. This project is called the school chest program and helps needy schools in America and foreign lands to get a start.

York's annual talent show was presented by the Red Cross, under the direction of Mr. Stasek, this year in order to raise funds to help their worthwhile projects.

The organization also planned and presented an assembly to kick off the annual enrollment and fund raising campaign.

F. T. A. Instructs Crew on Sailing the Ship

This year the Future Teachers of America is under the co-sponsorship of Mrs. Berglund and Miss Lynch.

In the fall of the year the members went to Elmhurst Junior High to see the movie, "Skippy and the 3 R's." During the winter the club attended Villa Park Junior High School and saw teaching and its methods in action. In the spring the members went to Hawthorne School. They were shown around the building and then were allowed to visit the class rooms and watch the teachers conduct class.

During the regular meetings movies of teaching methods were shown and speakers told the members their views on teaching as a career.

The organization has an annual Christmas party and sends delegates to the Illinois state convention of Future Teachers Associations.

A delegation of members went to the Villa Park teachers' meeting at Franklin School in February. The guest speaker was Mr. Zwick, from the American Youth Hostel Association.

Chess Mates Plot Ways for Smooth Sailing

The Chess Club, originated three years ago and sponsored by Mr. Knudson, is open to any student with an interest in chess.

The Monday meeting, occuring once a month, consists of members playing and discussing this challenging game.

This year's plans included a tournament with Glenbard. A Student-Faculty meet was also planned for the year. The members for the student team were Keith Olson, Walter Reising, Frank Seidel, Don Soderholm, and Jim Stokes. The faculty members were expected to be Mr. Knudson, Mr. Langert, Mr. Garland, and Mr. Schwarz.

The club's present officers are Keith Olson, President and Jim Neff, Secretary. The club is without a vice-president at the time.

One of York's newest clubs is the Square Dance Club, sponsored by Mr. Kelly. It was formed in 1948, after it was proposed and passed upon at a Student Council meeting. The membership has been growing ever since.

The meetings have been, thus far, very successful. The only way such a club could really be successful is to have its members take an active interest in its activities and that is one of their accomplishments.

The group meets the second Friday of each month and at each of these meetings refreshments are served.

Everyone who saw the "Homecoming" will probably remember the wonderful job the Square Dance Club did in decorating the goal posts.

The club can easily say that Noreen Feezor, President, has done a good job.

New Yorkers Get in Groove in School Activities

OFFICERS: Keith Olson, President; John Bewie; Ruth Cain, Secretary; Lorraine Talcott, Program Chairman; and Don Myer, Treasurer.

As new as the New Yorkers Club is, its success indicates already that it is going to be a permanent organization here at York. Mr. Michelsen founded it for the purpose of acquainting the transfer students with York and its students. This year it has continued under the guidance of Miss Krantz and its president, Keith Olson.

Anyone who is a transfer student to York is eligible to join the New Yorkers, and the club warmly welcomes all such newcomers.

The club has done a splendid job so far, and we hope it will continue to keep up the good work.

Girl's Club, now the largest club at York, is very active in school activities.

Every year Big Sisters are chosen who acquaint incoming Freshman girls with the school.

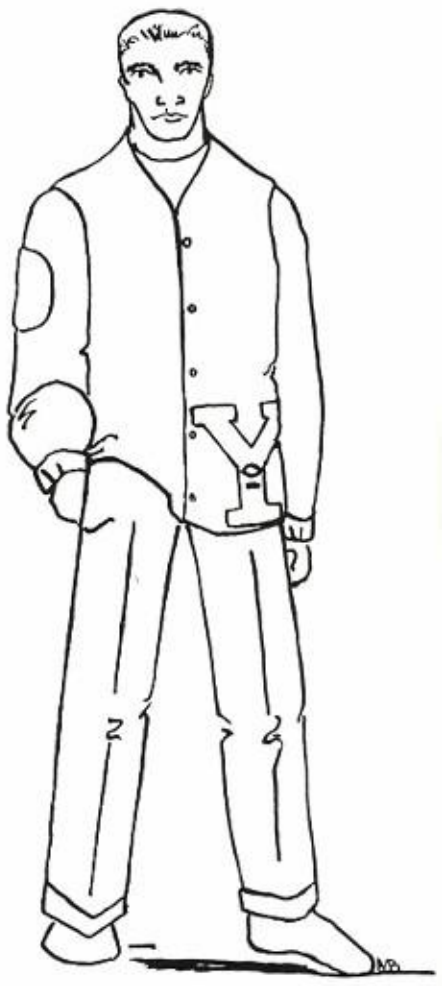
Bow Week is an event that takes place in the fall. Each class buys bows of different colors. Freshmen wear green; sophomores, yellow; juniors, red bows; seniors, white bows. Friday is rainbow day. On this day each class displays its bows. This gives the effect of a rainbow. At the end of the week a prize is awarded to the class selling the most bows.

At Christmas the girls invite orphans to a party. Santa Claus gives the children presents. This year the girls helped Santa by making doll clothes. Also, during the holiday season this club was busy selling festive sprigs of holly.

Each year of Girl's Club comes to a close with a tea honoring the mothers. This Mother-Daughter Tea is always a great success and enjoyed by all.

Every girl at York is a member of this extremely active club, which is under the direction of Miss Graham.

York's Lettermen Sail the "U. S. S. York"



The York Letterman's Club, which is the club most desired by York athletes, is open to any boy who has won a letter in a York sport. The meetings are every other Wednesday evening. Mr. Stefani is the sponsor of the club, and this year's officers are Ronnie Johnson, President; John Jenkins, Vice-President; Al Fritz, Treasurer; Gene Kraegel, Secretary; and Don Savaglio, Sergeant-at-Arms.

At Homecoming, the club sold orchids flown in from Hawaii, and balloons. At all athletic events the Lettermen sell programs. With the money they earned, the club bought the athletic department a movie screen, movie projector and light meter, which go along with the Booster Club's present of a movie camera.

Each spring, the big event of the year is the initiation of new members at a picnic at Fullersburg. At this time all York men who have received letters for the first time are initiated into the club.

"The More Aboard the Merrier" Is Pep Club Cry

Lots of school spirit? Then come and add your zest and energy to York's largest and most successful club, Pep Club. Only one fee card per semester is needed to enter.

Under the capable leadership of the club president, Chuckie Bremberg, Pep Club has just completed a most successful year.

With the aim of boosting school spirit, Pep Club has put on lively assemblies before every important game. In addition, the members often attend games and group together in cheering sections.

During the Homecoming festivities, Pep Club built a float and put on a winning skit for Stunt Night.

Later in the year, the club sponsored the annual Basketball Dance. A semi-formal, it turned out a well earned success.

By selling decals at school games, the club also added to its treasury.

Pins are awarded to the most active club members every year. Attending meetings as well as sponsoring club projects are necessary in order to receive one.

Definitely proving that work and fun go hand in hand, York's Pep Club is open to everyone, including you!

G. A. A. Hauls in Another Net Full of Success

The members of the Girls Athletic Association are still going strong. These girls are earning their points right and left by participating in sports such as softball, basketball, soccer, and badminton, not to mention tennis and bowling. Every six weeks they change off by rotating these sports.

These industrious young women attain their goal when they have earned enough points for the G. A. A. Award or the State Award. As do most other organizations, they make awards to recognize achievements, but instead of pins they have numerals and letters. They may also purchase bars. A numeral requires 500 points, a letter 100 points. These records have to be kept clean by attending the meetings as well as participating in the various sports.

In spring the annual Mother-Daughter Tea is held. At this meeting, new officers are installed, and a farewell is given the outgoing ones.

The Father-Daughter supper is another event of the year as is the Christmas Party and the Pot Luck.

Midge Nicoll has proved to be a very capable leader and will undoubtedly be missed.

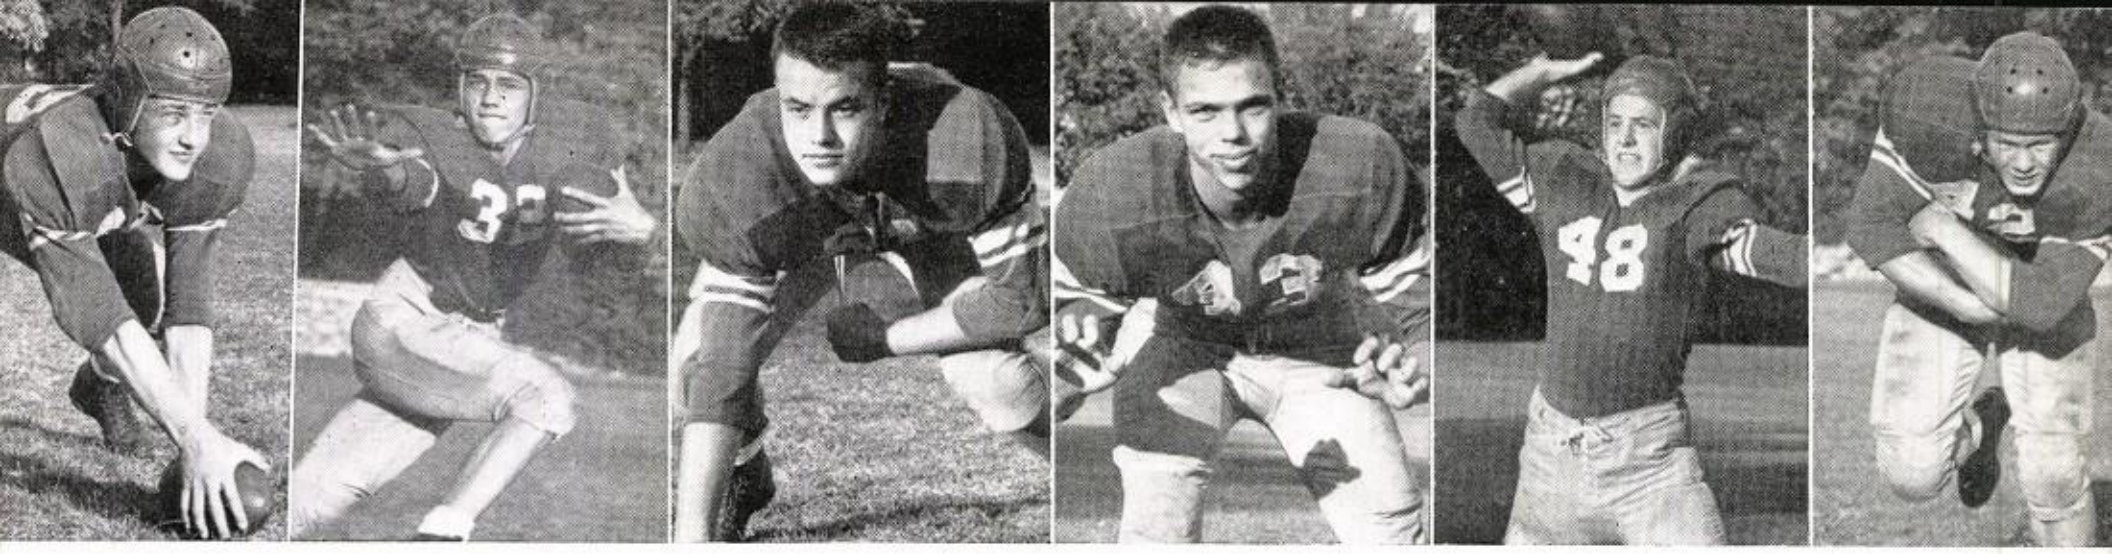
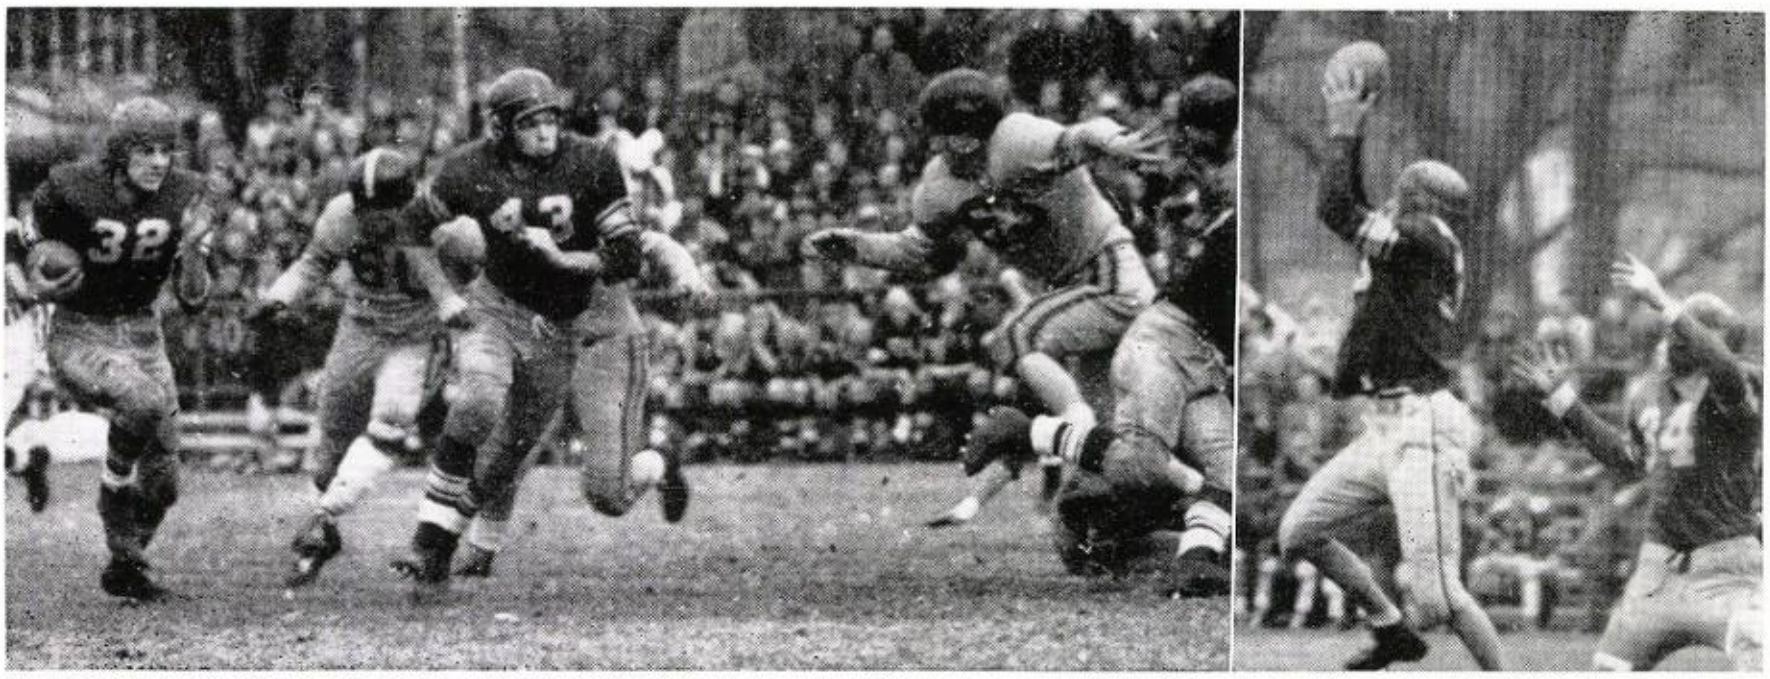
Led by Head Coach John Fisher, who was assisted by Bill Mueller and Dwight Larson, the York Dukes tied for the West Surban championship in one of the best upsets of the year. Picked by many to move out of the cellar which they occupied last year, the Dukes surprised everybody by fighting all the way to the championship.

The season was started off on the right foot when the local boys went to Elgin and, despite a heavy second-half rain, won the game 13 to 6. In the first conference game, Hinsdale beat the Dukes 19 to 0. The next Saturday afternoon, Glenbard was held to a 20-20 tie. The next Friday night, the Dukes traveled to Main to try to redeem themselves. After a slow first half, the Dukes caught fire in the second half to score three touchdowns to beat Maine 28-0. The next week Downers Grove journeyed to York only to be defeated 12-0. Against Arlington Heights Bob Kruse started the game off on the right foot by running the opening back for a touchdown. With this start York came out on top 13-7. Riverside-Brookfield proposed more of a problem though, but, on the strength of a touchdown by End Fred Kraeplin, who intercepted an R-B pass and ran it back for the score, York won 6-0.



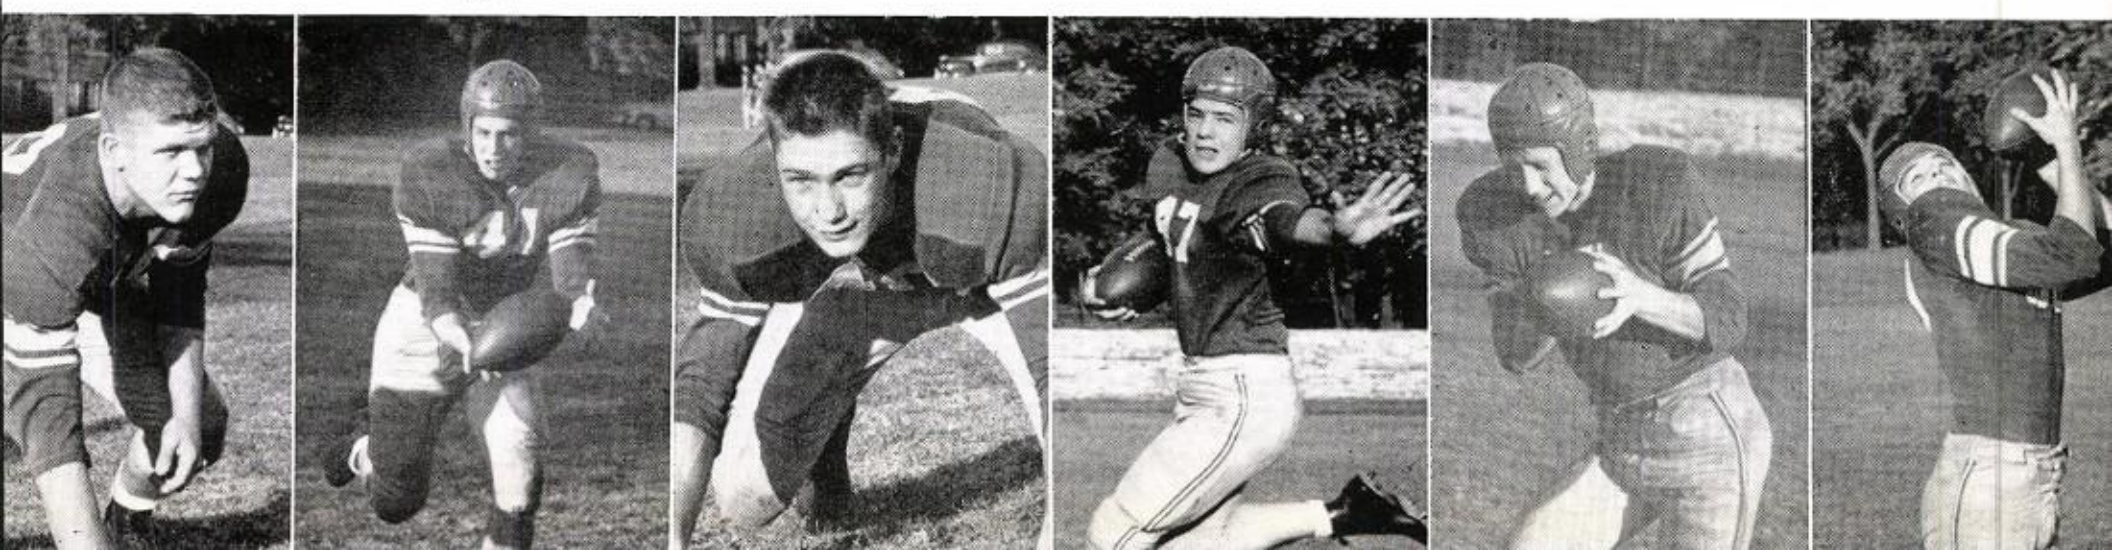
Fisher Commands Crew Through Tough Campaign

After this remarkable comeback by winning four games in a row, York was knocking on the championship door. But there was one more obstacle in the way of that door—La Grange. The final game of the season was played in La Grange on a cold Saturday afternoon. When the game was over, the



scoreboard read York 13, La Grange 5; and York tied for the championship with La Grange and Hinsdale. In scoring the 13 points, Backs Kruse and Williams rose to the occasion and each scored a touchdown. Quarterback Wally Strauch threw some fine passes and along with the defensive work of Al Fritz, Ron Hargreaves, Gene Kraegel, and Jack Falter, the York Dukes completely overpowered the La Grange team.

After the game it was announced that Center Jack Falter, Guard Gene Kraegel, Tackle Al Fritz and Back Bob Kruse were selected to the all-conference team.



Frosh-Soph Finds Hard Sailing Through Season

Front Row: Coach Lesch, Earl Prais, Don Rausch, Dave Shoemaker, Forest Devor, Roger Davis, Bill Mavity, Ken Brynjolfsson, Jim Shramm, Bob Hoffman, and Bob Bloom. **Second Row:** Coach Bloom, Alan Packard, Peter Wright, Bruce Hass, Dick Rohlf, Bruce Fetz, Karl Wendel, Ray Pajeau, Dave Peterhans, and Lance Stahl. **Third Row:** John Bruha, Bob LaFollette, Frank Wagner, Dick Dailey, Otto McBride, Jim Glynn, Douglas Millard, Bob Ottoman, Howard Boysen, and Gordon Boys; **Fourth Row:** Dick Peters, Wayne Lindquist, David Coppin, Charles Truckenbrodt, Ronald Baumann, Dave Ast, and Ronald Miller. **Fifth Row:** Jim Savage, Dick Rossi, Bill Buehring, Tom Benjamin, Dick Brinkman, Don Schloemer, Frank Weaser, and John Davison; **Last Row:** Craig Stratton, Dudley Dvorak, Dave Dvorak, Pat Meyer, and Wayne Kimmell.

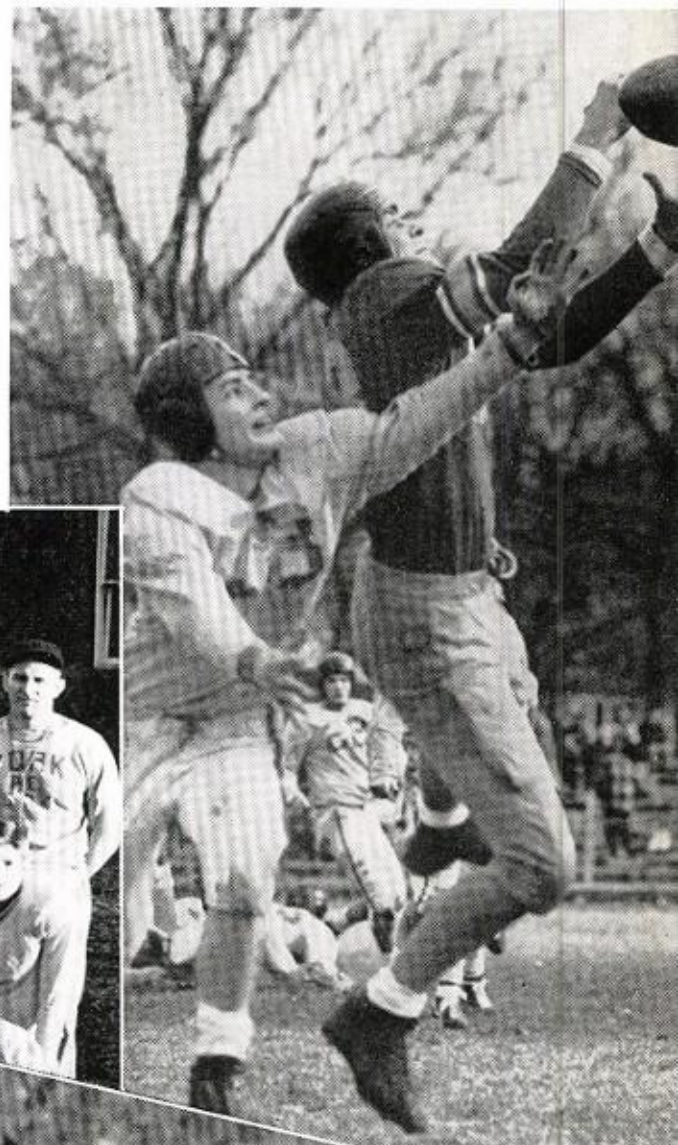
This year's frosh-soph results are amazingly like those of last year. In the beginning of the season, the Barons, coached by Victor Lesch, started rather badly, never seeming to have the needed "umph" to carry the ball across the goal line. However, this was not true in the last part of the season when the Barons showed great improvement.

The season opened at Elgin with a loss, 18-7. The game was highlighted by a 92-yard touchdown drive and two 30-yard passes both heaved by Haas. The first conference game was played with Hinsdale. On a quick opening play, Hinsdale scored from the York forty. Then in the third quarter, York gained possession of the ball on the Hinsdale twelve but failed to score because of a fumble. In the fourth quarter York again had the ball near the Hinsdale goal but again fumbled. This time, though, Hinsdale ran it back for a T. D. Final score: Hinsdale 12, York 0. In the next battle, Glenbard scored 8 points while York threatened only once by advancing to the foe's 17-yard line, only to fumble.

Crew of the U. S. S. York Drills All Season

In the game with Maine, three fumbles and a pass interception spelled defeat for York's Barons, 20-0. York finally ended this scoreless streak by scoring the season's first points in conference play against Downers Grove. Downers Grove 20, York 12. The first touchdown was scored by a pass from Bruce Haas to Frank Weaser in the second. In the fourth York again scored with a 35 yard run by Bob Hoffman.

The Frosh-Soph tied Arlington Heights, 7-7. The lone score was made by Bob Ottoman with a 35-yard run in the second. The Barons finally proved that they could do it with their victory over Riverside-Brookfield, 20-0. The fine passing by Dick Dailey and the great running attacks led by Bob Hoffman, Bob Ottoman, and Wagner helped the Barons to their great triumph. York's defense, like its offense, was at its best, holding R-B to only four first downs. The season was finished in fine style by holding the league's champions to a 13-6 victory. An 80-yard drive and a fumble deep in our own territory put La Grange two T. D.'s ahead until the last minutes of the game when the Barons scored with a short pass from Dailey to Schloemer.



Front Row: Allan Boyd, Jack Dawson, Dick Sachwitz, Leonard Webster, Ronald Careno, Warren Swayda, Larry Gibson, Ed Baermann, Bob Kniceley, and Bob Peacock; **Second Row:** Chuck Parnham, Bob Teich, Tom Johnson, Chuck Christensen, Charles Seidenfuss, Dick Johnson, Ray Carlson, John Williams, Jack Clifford, Charles Cech, Bob Reinecke, Duane Slayton, and Dick Murfree; **Third Row:** Coach Mietz, Bob Rubien, Tom Cloper, John Wingert, Bill Rex, Dale Woodward, Terry Stratton, Ben Savagilo, Jim Major, Bill Carson, Leonard Jaeger, Coach Keifer.

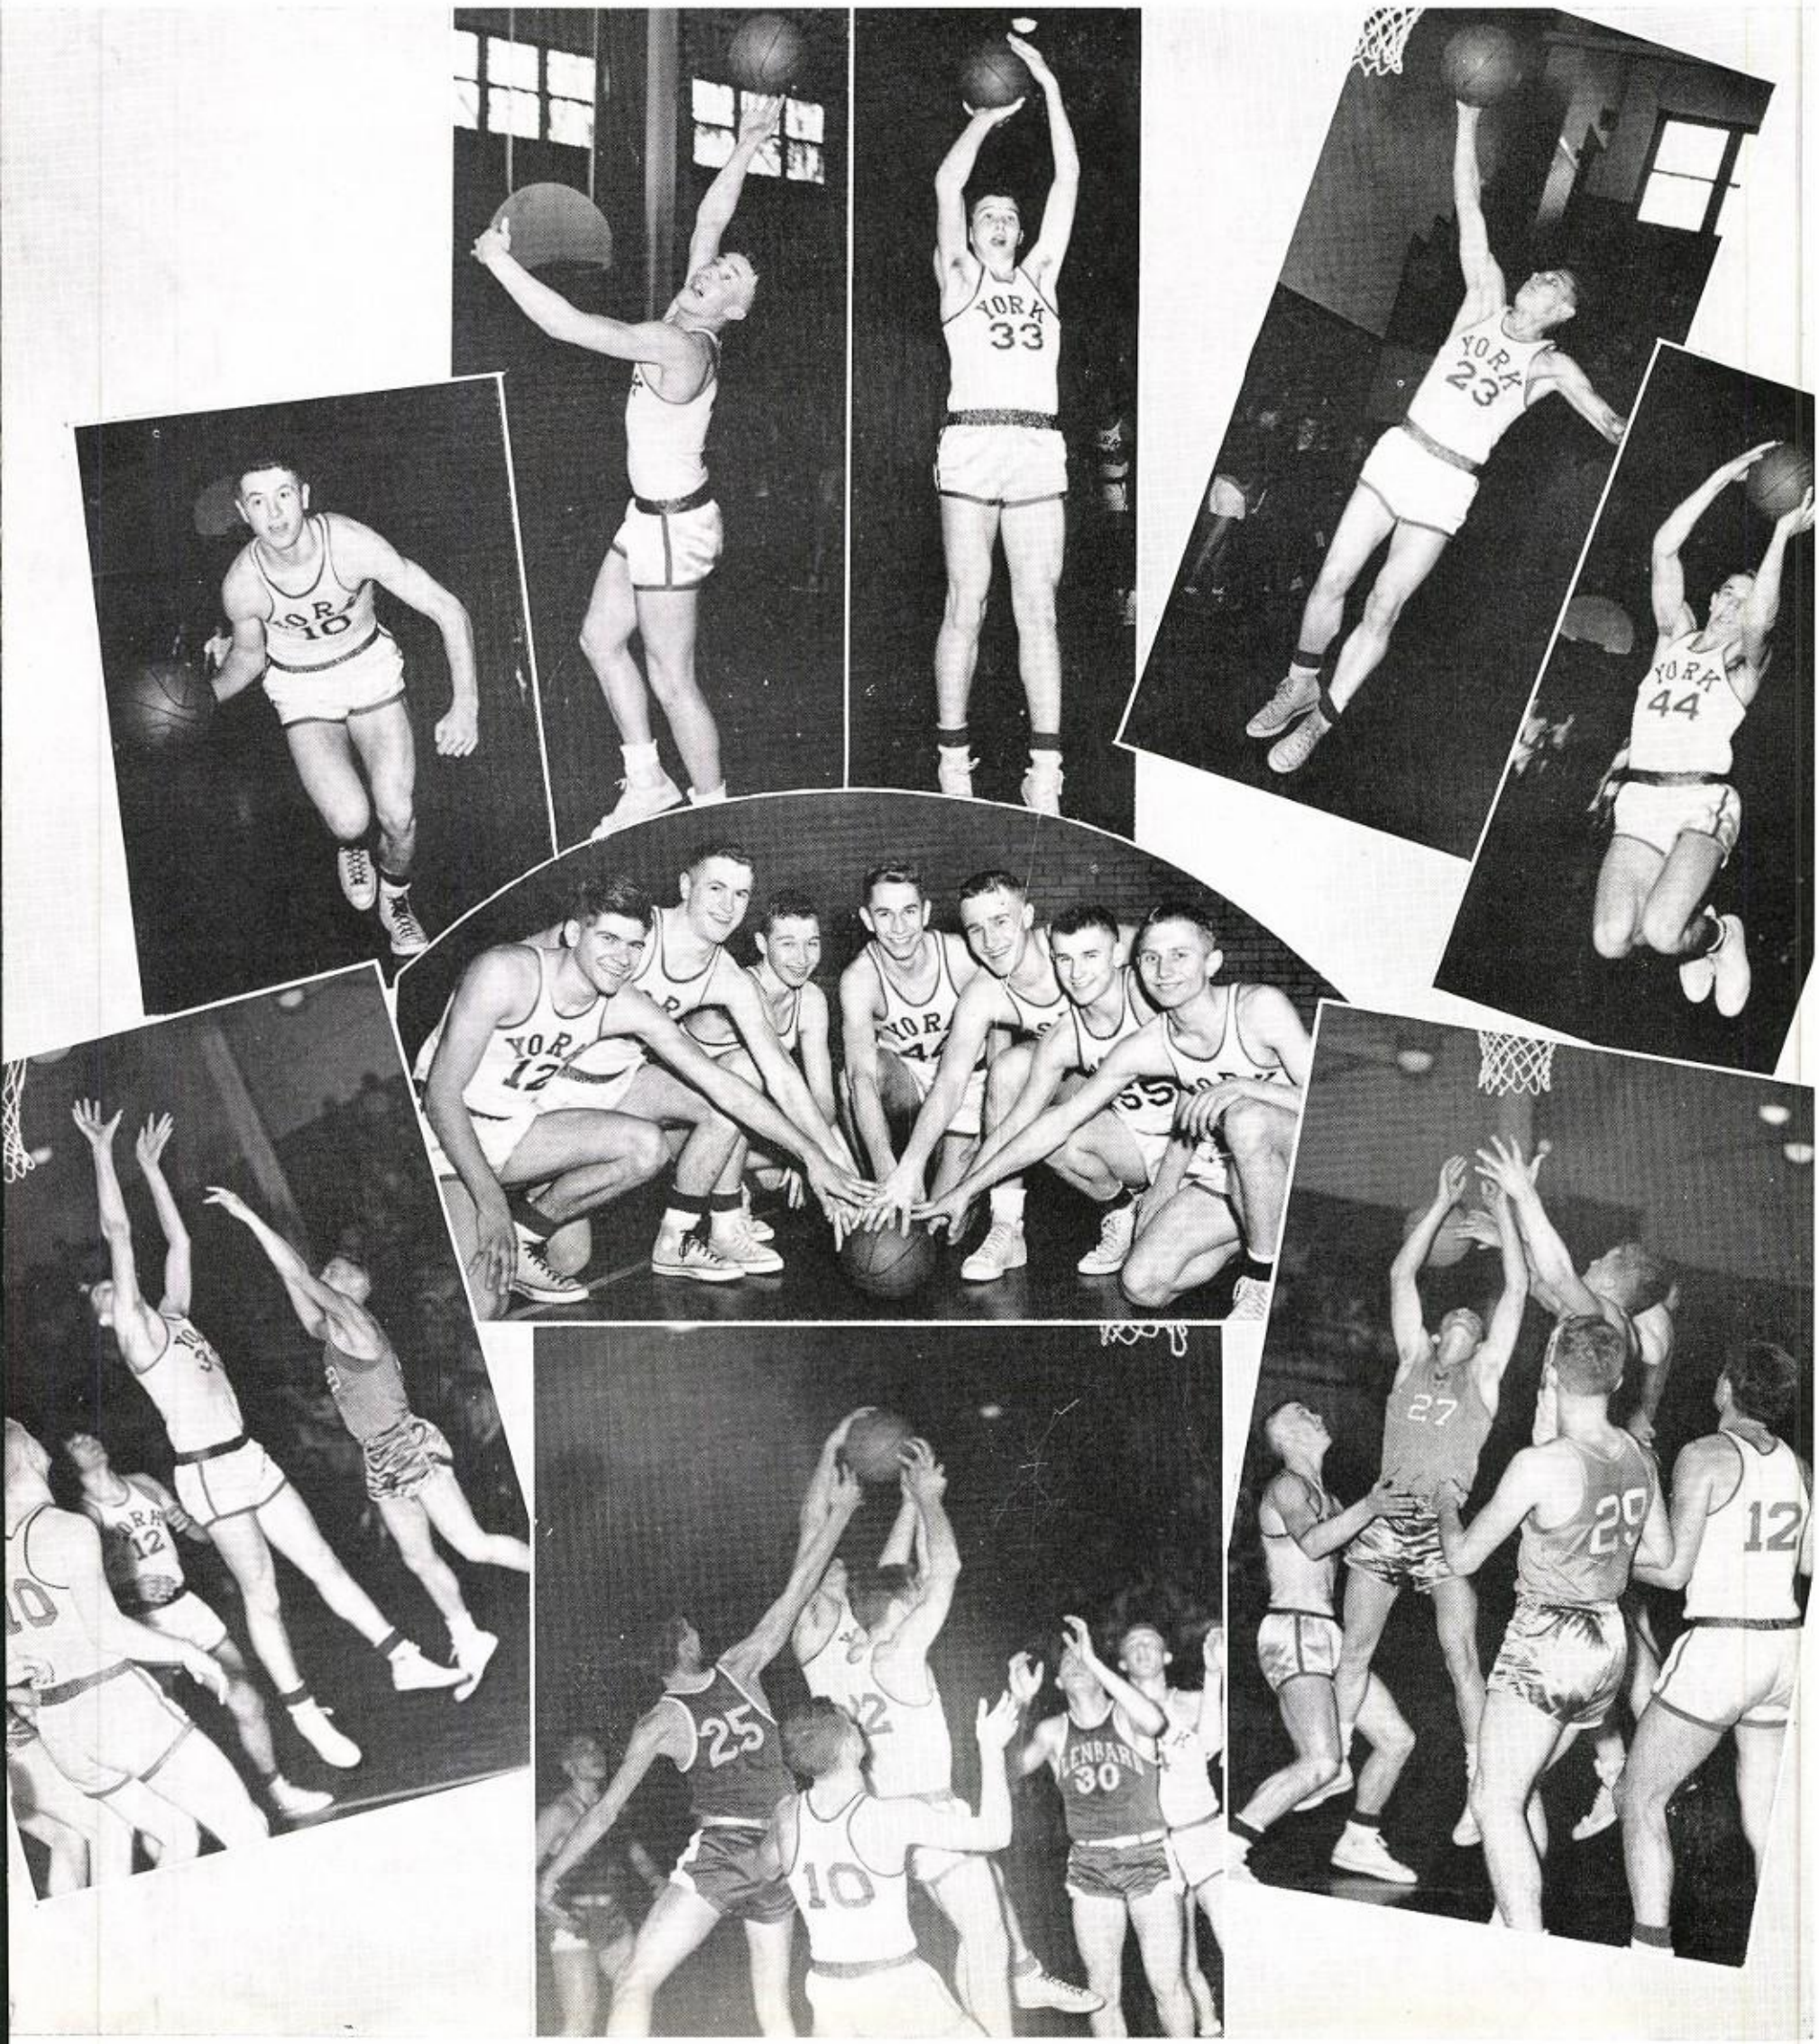
Koch Takes Over the Helm of York Dukes

This was Mr. Koch's first year as head coach of the York varsity basketball team. With a season's record of 11 wins and 9 losses, Coach Koch, assisted by Mr. Larson, was able to get a third place in the West Suburban Conference from his new team. With this year's showing, Mr. Koch can be very proud of his team and the team can be very proud of its accomplishments.

The York Dukes started the season with two non-conference games. Experimenting with different teams, Coach Koch was able to beat West Chicago but lost to a powerful team from Thornton. The Dukes started their conference play on the right foot by winning their first three conference games, beating Hinsdale, Glenbard, and Maine. Next Downers Grove came to York to win a close game 61 to 59. To make up for this loss, the York boys went out and beat Arlington Heights and Riverside Brookfield. The next game was with last year's state champions, La Grange. La Grange won by a score of 67 to 52. With the first half of the conference season over, York had a very respectable record of 5 wins against 2 losses. In an exhibition game with Elgin, York lost, but in their next conference game with Hinsdale, the local boys won a close game, 52 to 50. Next, both Leyden and Glenbard were able to best the Dukes, but against Maine, the two-game losing streak was stopped by a score of 55 to 49. Next, Downers Grove won one from the York boys, but Arlington Heights and Riverside-Brookfield were both defeated. York lost the final conference game of the season against the powerful La Grange team, 71 to 41. In the Regional playoffs at Arlington Heights, the York Dukes beat Maine in their first game but were beaten 77 to 75 in a close game by Oak Park.

York Dukes Win Third Place in W. S. C. Race

York's forwards, Seniors Wally Strauch and Jack Falter, were selected to the West Suburban All-Conference Team. Don Anderson, a junior, was named as honorable mention. With the graduation of Jack Falter and Wally Strauch, there will be two big gaps to fill in the York lineup. Juniors Bill Nauman, Don Anderson, and Jack Wilson, with Sophomores Bill Zersen and Don Schloemer, will be around next year to carry the big load. With some good material from the frosh-soph and junior-varsity teams, Coach Koch can look forward to his second year as head coach with a bright outlook.



Garland Leads Frosh-Soph through Tough Season

During his second year, Coach Henry Garland led the Frosh-Soph through nine wins and five losses.

Maine, as well as Downers Grove, lost twice to York. Along with these, they beat Hinsdale, Arlington Heights, Glenbard and Riverside-Brookfield. During a close battle with La Grange, the Barons scored the winning point in the overtime to give them the victory 50-49. Their luck, however, ran out when La Grange whipped them at their next meet.

Frank Weaser, forward, ranked second to Frank Wagner, guard, in the scoring department. Bob Bloom, forward, and towering Glenn Gustafson, center, helped the future J.V.'s along with the able assistance of the managers, Dave Peterhans and Ray Steben.

All in all, the cagers didn't have such a bad season, and if they stick to form, chances are that York's future teams will have a pretty good standing in the conference.

Freshmen and JVs Work Hard for First String Positions

This year's J. V. team, led by Coach Larson, ended the season with 6 wins and 5 losses. John Wilson, a guard, was high scorer with Dick McCallister, a forward, second. Rolland Thomas, guard; Charles Johnson, forward; Tom Galbraith, forward; and Bob Spelman, Russ Horning, and Bob Harm sharing center position are the other members. Some of the players on the team saw action with the varsity squad and will be trying for varsity berths next year.

The freshmen, under Coach Hulka, concluded the season with a record of 8 wins and 3 losses. Two of these losses were by only one point because of a lack of defensive playing. Lou Lario, a guard, and Bob Ottoman, a foreward, held top honors in the scoring field. The other team members were guards Gene Brown and Don Yde, foreward Lou Harming, and centers Bob Evans and Marv Graunke.

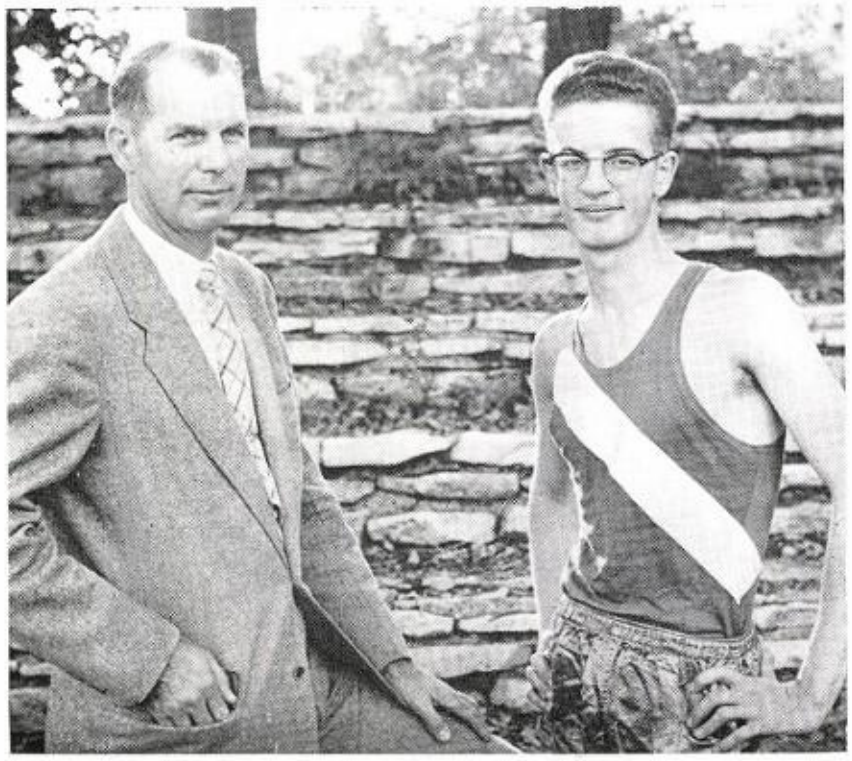
In the District Meet, held at La Grange, York finished fifth in a field of nine.

The Harriers maintained their conference standing in the Conference Meet by finishing sixth in the field of eight conference teams.

Ronald Etherton, York's outstanding runner, received a medal for finishing among the first ten runners.

The outstanding frosh-soph runner was Tom Wolfe, a freshman who finished second in the Frosh-Soph Conference Invitational Meet.

During the season, York was hampered by illness and injuries, and such capable runners as Ollie Carlson and Richard Wille were unable to compete in most of the meets.



The season's scoring runners were Ronald Etherton, junior; Paul Johnson, senior; Chuck Jordan, senior; and John Lund, senior.

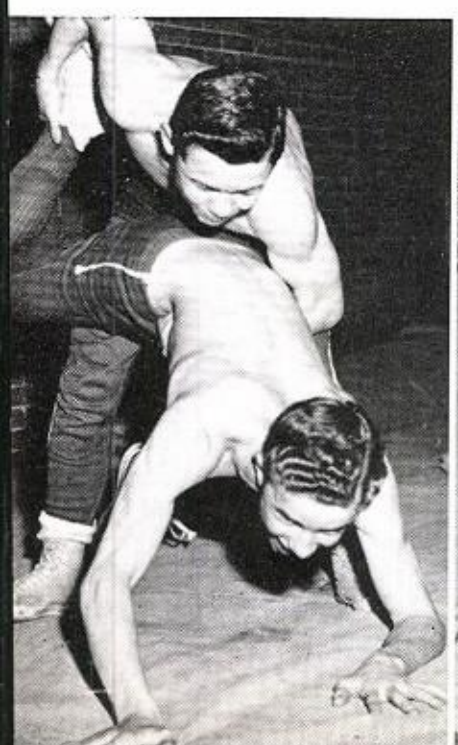
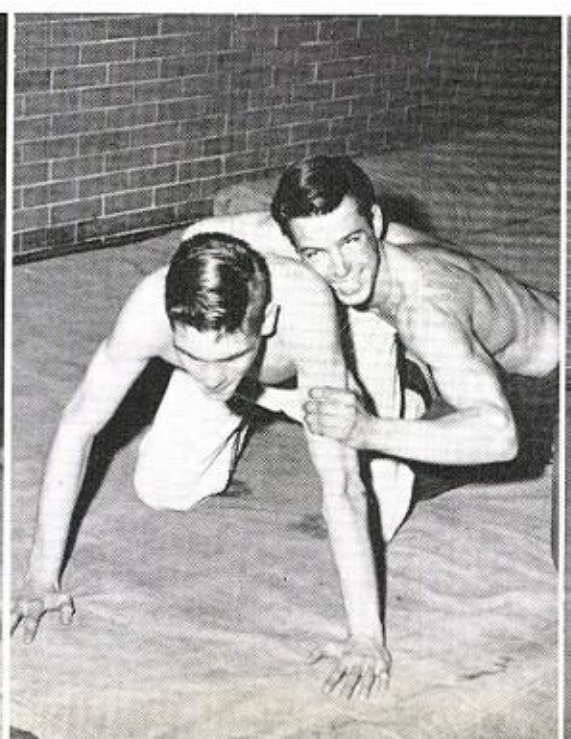
York Grapplers Have Best Season in History

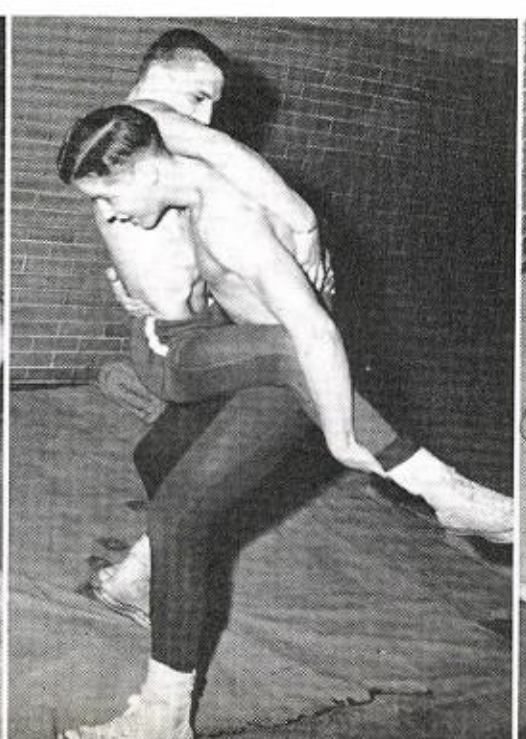
The York wrestling team, coached by Mr. Stefani and assisted by Mr. Mueller, had the best record in their history. This is the fourth year of wrestling at York, so for the time, Coach Stefani has been able to work with a team for four years, and this year's record was good. With a season's total of 12 wins and 7 losses, the York team, along with 7 other school teams, went to the Elgin sectionals with high hopes.

When the sectionals were over, York missed first place by just one point, losing to Elgin 37 to 36. Captains Ken Ragnetti and Roy Nelson along with Tom Pennington each took a first in their respective weights; Frank Penna and John Davidson took seconds; Donne Moen took a third, and John Jenkins took a fourth. Those who won a first or second were allowed to go to the state wrestling tournament at Proviso.

The fresh-soph team also had an excellent record of 13 wins against only 4 losses. Along with quite a few returning lettermen and many good sophomores, the outlook for York wrestling is good. Juniors Gary Krause and Earl Stubbe are the captains elect for next year.







Kunze Leads Tennis Crew to W. S. Championship

LOWER LEFT: Dick Snyder; VARSITY TENNIS TEAM: Dick McConnell, Bruce Karr, John Goltermann, Chuck Greaves, Dick Snyder, Coach Kunze, Wally Kirk, Frank Place, Frank Foster and Jim Stokes.

Coach Kunze led York's tennis team last year to the Conference Championship. The Hinsdale team came up with the second place title.

Those responsible for York's win were the following award winners: John Goltermann, the best single tennis player in the Conference; Frank Place, the finest second division netman; Dick Snyder, the third division champ; Bruce Karr and Charles Greaves, the second division doubles champs.

Mr. Guintoli was busy developing the frosh-soph squad for a successful season. He has an especially hard job, training the future varsity team due to the fact that last year's championship team was composed mostly of seniors.

Last year's letter winners were John Goltermann, Frank Foster, Bruce Karr, Dick Snyder, Frank Place, Charles Greaves, Wally Kirk, and Dick McConnell.

The tennis team looks forward to another successful season.

Pratt Leads York Golf Team over Rough Course

The York golf team, coached by Mr. Pratt, had a slow season, but with a lot of work, improved as the season advanced. The varsity team finished in eighth place, while the frosh-soph team did a little better by finishing fifth.

With the loss of quite a few lettermen through graduation, Coach Pratt had to do a lot of work in getting a team. Allen Andersen, a senior, and Ken Ragnetti, Al Schoenbach, Brian Vihnanek, Bill Vaughan and Arno Gillis, juniors, carried most of the weight of the season's meets. This year, Coach Pratt has better prospects with five returning lettermen and with Mike Polonus and Tom Nordstrom, sophomores, who were the mainstays of the fresh-soph team.

The major meets in which the Dukes participated last year were the Naperville Relays, the County Meet, the District Meet, the Conference Meet, and the Wheaton Relays.

In the Naperville Relays, which is part of the indoor track season, York tied for second place with Glenbard. La Grange won the meet. Our only first in the meet was taken by the Dukes medley team, consisting of Jasper Daube, Bruce Williams, Earl Riter, and Larry Gates. Earl Riter and Jasper Daube also took second and third in the fifty-yard dash, while Joe Reedy rounded out York's score with a third place in both the sixty-yard high hurdles and the sixty-yard lows.

April 25, the date of the Wheaton Relays, York gave its poorest showing and placed eighth in the Class A Division. La Grange, competing true to form, took first. Muessig was the only Eastman to score. He took a third in the discus and a first in the shot put.

Next on the schedule was the County Meet, held at Downers Grove May 5. This meet York won, while Glenbard took second.

The District Meet, held May 9, was taken by La Grange. York finished third, just behind Oak Park. Some of the winners for York were Muessig, who placed first in the shot by tossing it 50' 3"; Larry Gates, who ran the mile in 4:44.9; and Joe Reedy, doing the 180 low hurdles in 21.3 seconds and the 120 highs in 15.5 seconds. Muessig, Gates, and Reedy qualified for the State Meet. York's mile relay team turned in a surprising performance which also earned it a ticket to the State Meet. The team consisted of three sophomores, Tom Bright, Grant Miller, and Ronald Etherton; and one senior, Ronald Curtis.

Muessig took fourth in the shot put downstate. Gates, Reedy, and the mile relay team did not place.

Coach East and Crew Have a Good Season

The all-important Conference Meet was held May 20th. In it York took third with a total of 24½ points. Lyons finished first with 64 points, followed by Arlington Heights with 35¼ points. York's only first was taken by Reggie Williams in the broad jump. Larry Gates finished second in the mile, while Joe Reedy chalked up a second and a fifth in the 120 highs and the 180 lows. Earl Riter took a fourth in the 100 yard dash, and Jim Davis grabbed a fourth in the high jump.

The '53-'54 season looks very promising. George Prehn does a consistantly fine job in the shot put. He hasn't missed scoring for York yet this season. Another consistant scorer for the Dukes is Warren Tarr in the pole vault. Phil Cartwright, Grant Miller, Ronald Etherton, and Bruce Williams have combined into a very fast mile relay team. As we write this, the season is just beginning, however, and it is hard to tell just what the outcome will be.

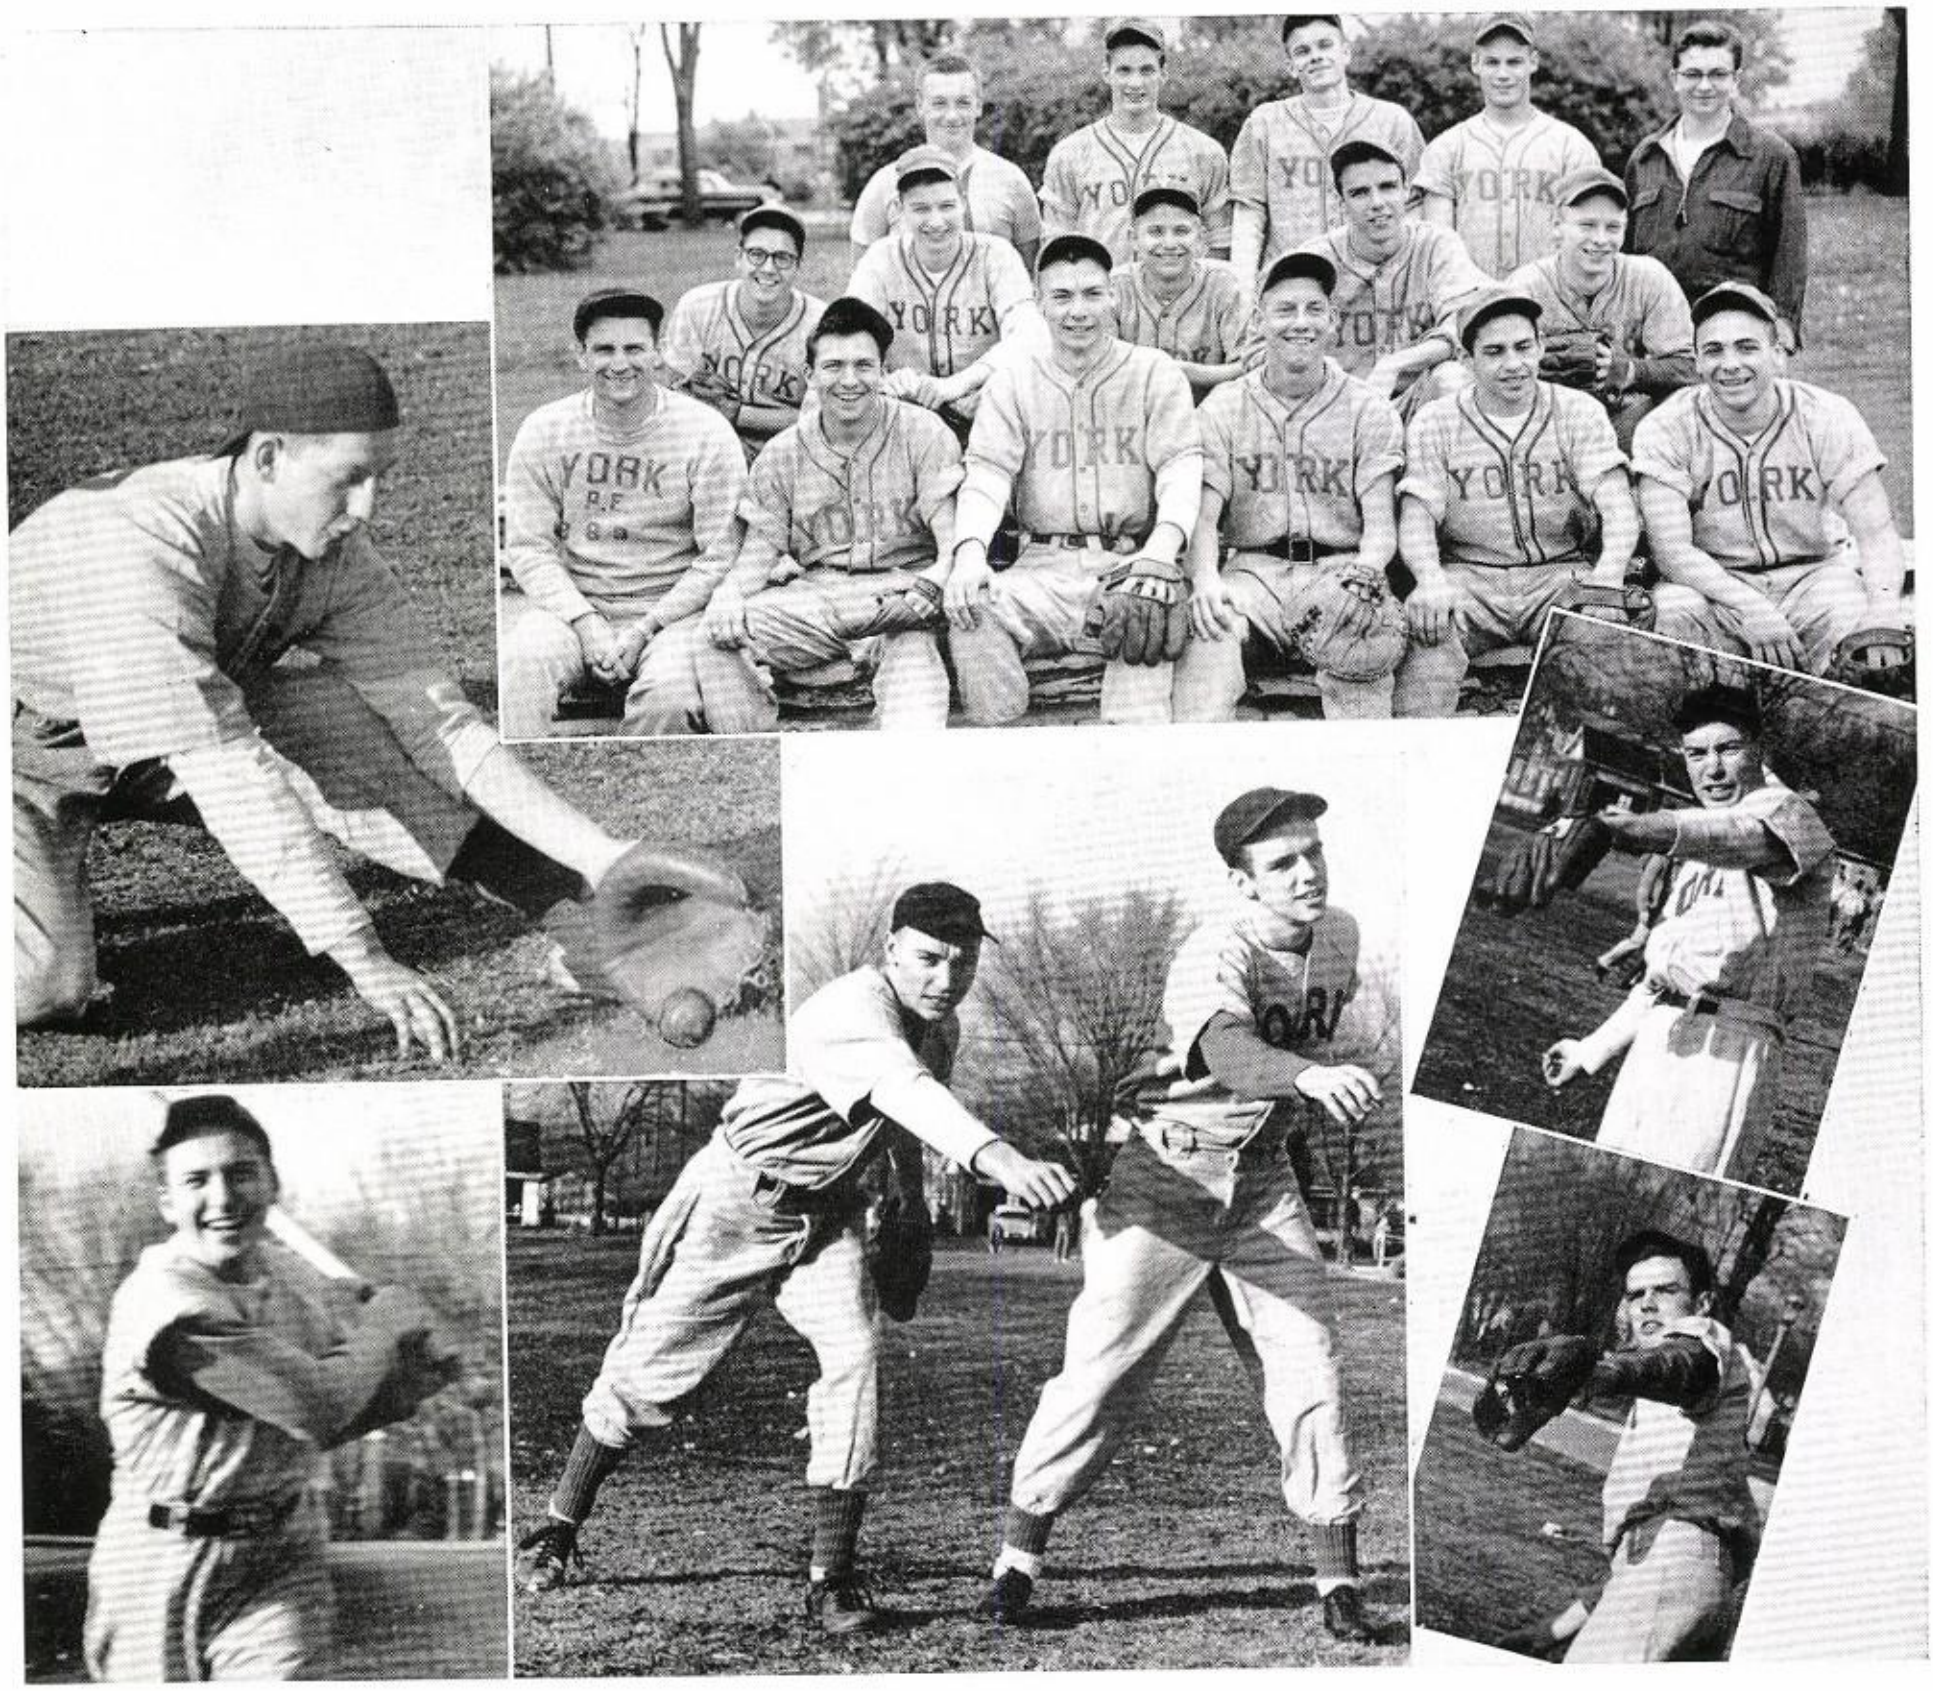
Kieffer's Sailors Again Have a Good Season



BASEBALL TEAM: **Front Row:** Coach Kieffer, Ken Fiene, Carl Budelsky, Marvin Reese, John Hoffman, and Mike DiGennaro; **Second Row:** Rick Krenek, Bill Nauman, Don Anderson, Ken Travis, and Wayne Kolar; **Last Row:** Ray Pajean, Bob Riggs, Jim Kindl, George Pfister, and Allen Packard; UPPER LEFT: Marvin Reese; LOWER LEFT: Ken Fiene; LOWER CENTER: Carl Budelsky and Ken Travis; UPPER RIGHT: Carl Budelsky; LOWER RIGHT: Ken Travis.

Last year, in the 1953 season, York's baseball team ended up with the second-place title in the West Suburban Conference. Coach Harold Kieffer worked with the team all of the time to keep them up near the top. Maine's baseball team won the first place position. At the close of the season, York had a record of 10 wins and 4 losses.

Last year's graduating seniors who received letters from the baseball team were Mike DiGennaro, outfield; John Hoffman, at second base; Bob Riggs, at first base; George Pfister, a pitcher; Jim Kindl, outfield; and Rick Krenek, at third base.

This year's team ought to be even better, since there are many returning letter winners: Ken Fiene, outfield; Marvin Reese, catcher; Ken Travis, a pitcher; Carl Budelsky, a pitcher; Wally Strauch, at shortstop; and Don Anderson, at second base.

York's baseball team was lucky in that it had Budelsky and Travis, two of the best pitchers in the conference.

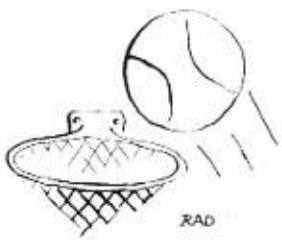
Gobs of Gobs Join in Intramural Activities

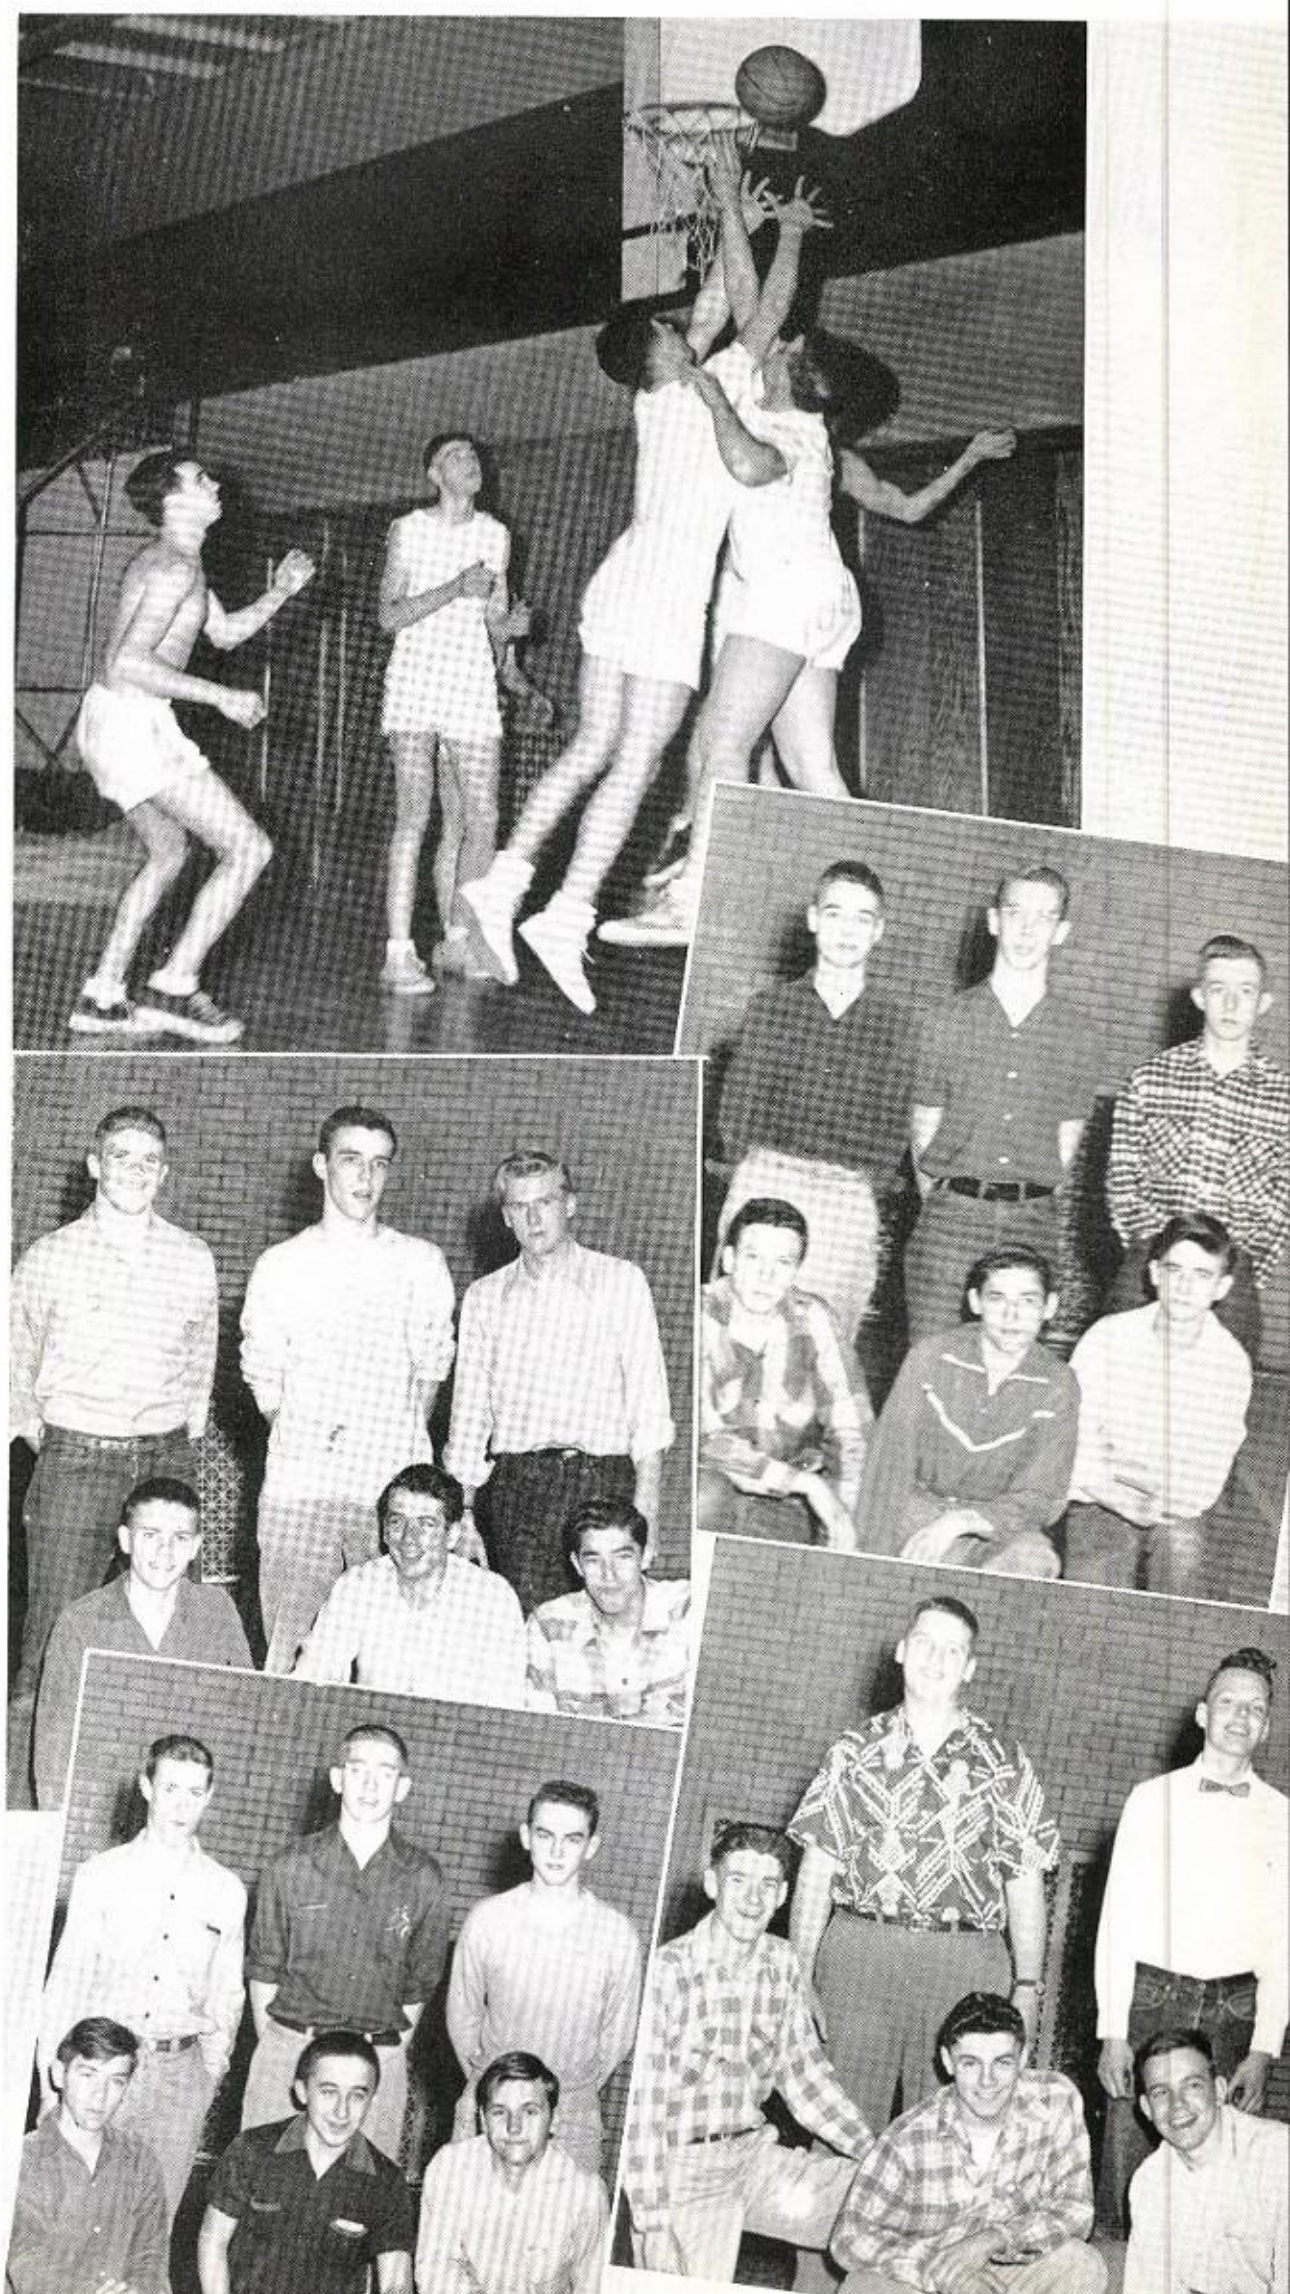
Intra-mural sports, under the direction of Mr. Black, were again a popular activity at York. In the freshman league, Eugene Smith's team won the championship, John Boyle's team being second.

Eugene Santi's team won the sophomore championship, having James Klank's team follow up in second place.

Bob Castner's team came out on top in the junior class competition with a 6-0 record. Bruce Rank's team took second place honors.

Ken Travis led the championship team to the top spot in the senior division. There was a two-way tie for second place between the teams of George Prehn and Arnold Steben. Because of limited facilities this year, the intramural football program wasn't carried out.





MIDDLE LEFT: Senior Team **Front Row:** Jerry Schultz, Ron Gilbert and Ronald Veit; **Second Row:** Dan Ast, Ken Travis, and Bill Mitchel.
